

## Mock drill on Earthquake & Fire in Gorakhpur

A mock drill was organized at Deen Dayal Upadhyay University, Gorakhpur on December 5, 2017, to enhance the disaster preparedness of the University Students & concerned staff. Mock was done comprehensively by the collaborated efforts of DDMA & NDRF. A brief highlights of the activities covered during the mock on earthquake & fire are mentioned below:

- Briefing about the earthquake, fire & gas explosion followed by needed training on them.
- Procurement of gadgets for ensuring an effective disaster response.
- A house was designed which was later on set to fire for carrying out the mock.
- Rescue of the community affected with fire & earthquake, by a team of NDRF.
- Training on do's & don'ts during an earthquake & fire.
