15. Main Points for consideration and preparatory work prior to selection.

Following are some of main points for perusal/attention of District Youth Officers during the selection of NYVs.

- a) First of all, the NYVs need to act as a peer leader. Secondly, they being more closely located and being able to communicate and motivate the youth completely in their village/locality should be able to mobilize the youth in desired numbers.
- b) The competence, capability, attitude and aptitude required in NYVs should be in proportion to the highest standards of results expected to be delivered.
- c) In the process, the NYV is also expected to imbibe and propagate leadership and communication skills, value orientation and patriotism.
- d) It would therefore be essential to select educated self motivated and socially networked youth with demonstrated ability on record.
- e) In order to ensure that the best youth is selected as NYV it is imperative that the system of selection should be transparent and merit based.
