Dear Managing Directors/CEO's/Medical Superintendents,

Sub: Dr.YSRAHCT - Clarification on Admissions of COVID cases in Network Hospitals - Reg

- Ref: 1) GO.Ms.No.51, HM&FW(1) Department., Dated: 06.04.2020.
 2) GO.Ms.No.77, HM&FW(1) Department., Dated: 08.07.2020.
 3) GO.Ms.No.78, HM&FW(1) Department., Dated: 20.07.2020.
 4) Circular. YSR AHCT/Operations/COVID/2020, Dated: 20.10.2020.

In the view of the Pandemic situation due to COVID - 19 in the state, as per recommendation made by Technical committee in the references cited, Dr.YSRAHCT is implementing day wise packages for COVID - 19 treatment under Dr.YSR Aarogyasri scheme from 20.07.2020.

The trust has got complaints that few Network Hospitals are forcing the COVID - 19 patients to stay at the hospital for complete length of stay i.e. 10 days and 14 days respectively for claiming total package amount, even after recovery of the patient.

Hence all the Network Hospitals should note that above mentioned **length of stay is not mandatory and are instructed to discharge the COVID - 19 patients, who recovered earlier**, irrespective of above, said length of stay and in such cases. Network Hospitals should claim only for actual length of stay by providing all clinical evidences at the time of claims intimation.

This is for your information.
