REQUEST FOR PROPOSAL FOR SUPPLY & INSTALLATION OF ON-LINE UPS, FIBER OPTICS AND WEB CAM AT DHH, KEONJHAR.

1. Background:

The District Headquarter Hospital (DHH) , Keonjhar is situated at the heart of the city which caters to the needs of the undivided districts of Keonjhar and also neighboring districts. The hospital is equipped with all latest machineries and infrastructure for providing services to the people of the district. Presently the hospital has 5 central registration counters for the registration of OPD/IPD/User fees for the OPD patients of the hospital. The hospital is now planning to install two nos. of On-Line UPS (5 KVA), fiber optics LAN from Main OPD to MCH OPD and 4 nos. of web cam at centenary building. Hence the bidders are requested to kindly visit the venue to get details of information about the scope of work and technical implications.

2. Purpose:

The main purpose and objective of this RFP is to select a suitable and eligible bidder/service provider for the *supply and installation of two numbers of On-Line IPD(5 kva each)*, connectivity of fiber optics LAN from Main OPD to MCH OPD and supply of four numbers of web camera at DHH, Keonjhar. The bidder shall be required to conduct survey, develop installation plan, implementation & UAT, make Go-live operation. The Agency shall provide necessary staff training to the staffs of DHH, KEONJHAR after completion of the entire technical process. The Agency shall provide comprehensive warranty services for a period of one year from the date of work order and subsequently extendable on mutual understanding subject to satisfactory performance of the successful bidder. The bidder shall provide hassle free services at the premises of the hospital authority without reaching any harm to the patients/official of the hospital. The bidder is also responsible for providing all handhold supports to the hospital authority for a period of one year for the said purpose. The successful agency is strictly expected to maintain secrecy of the medical information of the hospital as per Government guidelines.

3. BIDDER'S ELIGIBILITY CRITERIA:

- i. The BID is open to all reputed and registered Organizations / Institutes, Central/State Government Organizations / Registered firms, with proven track of records in the field of Hospital networking since last seven years in Government Sector. Documentary proof is to be attached with the bid.
- ii. The firm must be a registered IT Solution Provider under DGS&D or GEM Authority.
- iii. The firm must have ISO certifications for HMIS and IT services.
- iv. The BIDDER must have 5 years experience in the Hospital Automation projects in any Government Medical Colleges/hospitals having minimum 500 bed capacity in the state. Performance certificate to this effect shall be submitted along with the bid.
- v. The bidder must have executed at least 2 similar projects at any Govt hospitals since last five years at any state of the country as per the clause no. 1 of the eligibility criteria.
- vi. The average annual turnover of the BIDDER must be more than ₹.100.00 Lakhs from IT Services per year for the last three financial years. Copies shall be attached with the Bid.

- vi. The firm/ organization participating in the BID is required to submit copies of up-to-date Income Tax, GST and EPF & ESI registration document and Labour License along with the Bids.
- vii. The concept for Hospital Networking System in English language has to be submitted along with Bid mentioning Implementation Process, Hardware/ Networking/ Manpower/ electrical Requirements etc. In the absence of this concept document, the bid shall be liable for rejection technically. The Office Automation software must be users friendly.
- viii. An EMD of ₹.10,000.00 (ten thousands) only shall have to be deposited with the Technical BID, otherwise the financial BID shall be rejected.
- ix. The BIDDER must have technical documents and testimonials to demonstrate to the technical committee. Copy of the same shall be enclosed with the technical bid.
- x. The agency must have empanelled with Government of Odisha through IDCOL Software/ OCAC/ NIC for the IT solution activity.
- xi. Firms merely having hardware sales experience are not eligible to participate the RFP. Subletting or associating the work to other agencies shall lead to criminal prosecution.
- xii. The agency must have obtained ZED certification from Government of India for IT services.

 - h. all other documents as per eligibility criteria.
 - i. Copy of the ZED, GEM certification/documents from Government of India for IT services.

N.B. bids without ISO 9001:2015 certificates for HMIS shall be summarily rejected.

B. BID SECURITY

The BID/RFP submitted must be accompanied by the Bid Security (Earnest Money) amount of ₹ 10,000/- (**Rupees ten Thousands**) only in shape Bank Draft in favour of “The CDM&PHO, DHH, KEONJHAR and payable at KEONJHAR” on any Nationalized Bank/Scheduled Bank. The Bid Security of the unsuccessful BIDDER will be remitted back within 2 (two) months from the last date of submission of the RFP. The Bid Security of successful BIDDER will be kept till final execution of the work. Further, EMD/SD/tender paper cost shall be exempted for eligible agencies\MSE as per prevailing procurement policy of the state & central government.

C. OPENING OF BID

The Technical & Financial BID will be opened on **stipulated period** in presence of BIDDERS / authorized representatives who choose to attend the bid opening. Only Authorized Representatives of the BIDDER with valid identity will be allowed to attend the BID opening. Financial/ Price BID shall be opened for the bidders those who qualify technically.

5. General Terms and Conditions:

- i. The required software solutions, manpower and service backup shall be provided by the successful bidders. Hence detailed proposal is to be attached with the bid.
- ii. The payment for the office automation process shall be made as per the following steps;
 - a. Supply & Installation of Equipments – 100%
 - b. AMC of equipments: 50% on signing of MOU.
- iii. An authorized representative of the firm must put his/her initials on all pages of the offer. The representative's authorization need to be confirmed by a written power of attorney accompanying the offer.
- iv. Only authenticated & signed copies of the Technical Offer & Financial offer is required to be submitted super scribing "Tender No. & Subject" on the top of envelope as the case may be. In case of any discrepancies found between the Tender Document and the Original document of the bidders, the tender will be summarily rejected.
- v. The documents of the Technical Offer shall be placed in a sealed envelope clearly marked "**Technical Offer**". Similarly the original copies of the Financial Offer shall be placed in a separate sealed envelope clearly marked "**Financial Offer**" and warning "**DO NOT OPEN**" with the Technical Offer. Both these envelopes shall be placed into an outer sealed envelope bearing the submission address and clearly marked "**RFP for supply and installation of Un-line UPS, Fiber LAN and Web Camera at DHH, KEONJHAR**".
- vi. A non-refundable processing fee of an amount **₹.1000.00 (Rupees one Thousands)** only in shape of Bank Draft drawn in favour of "The CDM&PHO, DHH, Keonjhar and payable at Keonjhar" on any Nationalized Bank/ Scheduled Bank shall be enclosed with the Bid. If paid during receiving RFP paper, the copy shall be deposited.
- vii. The complete offer must be submitted to The "CDM&PHO, DHH, Keonjhar, Odisha" on or before **Stipulated period** by registered/ courier/ in person. The Offers received after the schedule date & time shall not be valid. The authority will not be responsible for any type of delays.
- viii. For any clarification **ADMO(MED)** may be contacted during office hours along with written query on or before **Stipulated Period**.
- ix. The received offers shall remain valid for a minimum period of 30 (thirty) days from the date of opening of the bid.
- x. Submission of the RFP and participation by an Organization shall be construed that the Organization agrees to abide by all the terms and conditions prescribed for the assignment.
- xi. The Authority reserves the right to accept or reject any or all offers without assigning any reasons thereof and to add, modify or delete any of the terms and conditions without any prior notice. The decision of CDM&PHO, DHH, KEONJHAR shall be final and binding to all.
- xii. Authority reserves the right to modify the requirement at any time during the process of finalization of RFP.
- xiii. Bid not submitted as per prescribed procedures and guidelines will be liable for cancellation and will be termed as **Non Responsive** and hence will not be considered for evaluation.
- xiv. The bidder selected for the contract will be informed by an award letter of which the acceptance has to be submitted to the authority within **3 (three) days** of receipt of award letter, failing which the EMD of the bidder will stand forfeited and the second lowest bidder will be considered for the contract.
- xv. The authority inviting the BID will reserve the full authority to cancel or accept any BID without assigning any reason whatsoever without thereby incurring any liability to the affected BIDDER/ BIDDERS or any obligation to inform the affected BIDDER/ BIDDERS.

- xvi. Responsive bidder not performing the obligation under the contract, with sufficient reasons acceptable to the authority inviting the BID, will be **debarred**.
- xvii. At any time prior to the deadline for submission of bids, the authority inviting the bid may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment. All prospective bidders who have received the bidding documents will be informed of the amendment in writing or by Fax, and will be binding on them. No response or clarification within 3 days will automatically stand accepted by both the parties.
- xviii. In case of any dispute the authority inviting the bid and the vendor shall make every effort to resolve amicably by direct informal negotiation. If such informal negotiation fails, the matter will be referred to CDM&PHO, DHH, KEONJHAR for resolution, whose decision will be final and binding on all.
- xix. In case of any false or incorrect information found in the RFP, the authority inviting the BID may reject the BID forthwith with forfeiture of Bid Security. Authority inviting the BID may also initiate legal action against the BIDDER.
- xx. If any additional order will be placed subsequently, the firm is binding to execute the order in stipulated time with same rate.
- xxi. The Courts at KEONJHAR, Odisha alone shall have the jurisdiction to settle and decide all disputes related to this matter.
- xxii. For any delay in completing the work, the firm will be imposed a financial penalty that will be decided by the authority.
- xxiii. The firm has to adhere to the specification as mentioned in Financial BID otherwise suitable penalty deemed proper shall be imposed by the authority.

6. Evaluation Procedure:

1. The Technical Offer received shall be scrutinized by an Evaluation Committee constituted by CDM&PHO, DHH, KEONJHAR for the purpose.
2. Evaluation Committee will evaluate all technical offers as per criteria laid down in technical offer.
3. The Financial bids of technically qualified Bids will be evaluated as a whole considering all items.
4. The BIDDER has to quote rates for each items as per the scope of the work including the TAXES as applicable. Evaluation will be made as a whole considering each item and order will be placed item wise and payment shall be made accordingly.
5. The bidders should quote offer for all the items failing which the Financial BID stand rejected.
6. The lowest rate considering all items taken together quoted by the bidder will be called for presentation.
7. If required negotiation may be made for awarding contract with technically qualified bidders.

Annexure-A
Terms of Reference (TOR)

I. OBJECTIVES:

The broad objective of this RFP is to implement the following modules at DHH, KEONJHAR.

- i. Survey on Requirements of Equipments
- ii. Supply of equipments
- iii. Installation of Equipments
- iv. Go-live of equipments.

II. SCOPE OF WORK:

The BIDDER has to conduct the survey for the assessment of infrastructure prior to starting of the work at DHH, KEONJHAR. It will be the responsibility of the bidder to supply all the equipments and accessories like two numbers of on-line UPS (5 KVA), required batteries for 1 hour backup, fiber optics LAN from main OPD to MCH OPD, four numbers of Web Cams etc. within, during the entire period of execution of work/contract period. The job can be taken up in three phases. The successful bidder shall prepare implementation plan on the above mentioned project as per requirement of the authority. It is the responsibility of the bidder to install the equipments with the camera application and make operational so as to run the counter smoothly. The work process of the above equipments shall be monitored and to be managed by the authorized person/ official of DHH, KEONJHAR.

Phase-I : Site Survey:

The selected agency shall conduct survey process for the aforesaid equipments at the office of the hospital and prepare documentation of the same within two weeks (15 days) from the date of placement of LOI (letter of intent). After preparation of the implementation plan, the agency shall submit the same before the authority for approval of the report (*design & diagrams and forms & reports*). On completion of the survey process the agency shall take initiative to supply and installation of equipments at their premises within stipulated period.

Phase-II : Supply & Installation of equipments:

The successful agency shall supply & install the on-line UPS of 5 kva for the uninterrupted power supply to the main OPD counter, Help Desk Unit of centenary Building of the hospital. The WEB CAM along with application software shall be installed at the DDC Counters and shall be accessible from the server during transaction/operation at different places. The agency shall connect fiber optics LAN from Main OPD to MCH OPD building by installing necessary accessories. Basically the software must be multiuser based and should have provision to allow on-line transactions inside campus/office.

Phase-III : User Acceptance Test(UAT) & Go-live:

After completion of the supply & installation process of the Office Automation Software, the agency shall conduct the UAT (*User Acceptance Test*) with all modules. On satisfactory completion of the UAT process, the authorized engineer of the agency shall provide training to the concerned officials/staffs of the hospital on the package developed by them and operation manual in this regard shall also be submitted to this office for reference. The hand hold support shall be provided for a period of one year from the date of implementation of the project. All the back log records as well as master file creation shall be done by the agency before go-live operation of the project. The staffs engaged by the agency shall be properly trained so as to behave the patients and officials of the hospital properly. The

pre-printed stationery shall be suggested to the authority before Go-live process. The staffs appointed by the agency shall be well dressed and on proper uniform.

TIME LINE: the project is supposed to be completed within 18 weeks from the date of issue of work order. Failing which, the work order stands to be cancelled automatically and the second lowest party shall be invited to execute the order.

RESPONSIBILITY OF THE HOSPITAL:

The hospital shall provide all kind of administrative supports for conducting SRS, *working space, required hardware, system software, networking infrastructure, static IP, Antivirus and UPS* etc before commencement of the project. The working space provided by the authority shall be utilized by the agency as control room purpose for providing uninterrupted services.
