Subject: Instructions regarding stay of proceedings during the pendency of Appeals and Revision.

Normally all proceedings are suspended in the cases where the matter is in appeal or revision before the higher courts, even if there is no stay. This point was decided in 1998 (1) PLJ-93 by the Financial Commissioner, Punjab, but it is not followed by letters sprit by the lower officers. You are directed to suspend all proceedings in the cases pending before you and other Revenue Officers where appeals and revisions are filed before this court and courts above against the orders of Collector in future till the final decision of the appeals/Revisions.
