Memo No. AP/2005/ 3116  
Dated 15-12-2005

**Subject** Instruction regarding stay of proceedings during the pendency of appeals/revisions.

I am directed to inform that the following instructions were issued vide this office memo No. AP-2005/4398 dated 29/3/2005 whereby it was conveyed that normally all proceedings were suspended in the cases where the matter was in appeal or revision before the high courts even if there was no stay. This point was decided in 1998(1) PLJ 1993 but it was not being followed in letter and spirit by the lower officers. It was therefore directed to suspend all proceedings in the cases pending before your court or other revenue courts where appeals and revisions were filed before this court or courts above against the orders of Collector till the final decision of the appeals and revisions.

Since there are instances where these instructions have been misinterpreted, therefore, Commissioner, Jalandhar Division has withdrawn these instructions with immediate effect.
