<p>The CMC-4100 Chairman/Delgates Units have built-in loudspeakers and high quality sensitive electret condenser transducer mounted on 16" flexible goosenecks. The microphones of the units are equipped with a Ring LED indicator for easy visual identification of the unit in operation. Each unit has a headphone output with volume control.</p> <p>The stylish, free-standing cast aluminium case has an angled facia incorporating the TALK switch which automatically mutes the internal speaker.The Chairman Unit also has a non-lockable PRIORITY switch which interrupts the meeting with a chime tone and mutes the delegates' microphones. Both units have recessed volume controls for setting desired sound levels. The matching CMS-4300 Secretary Unit has a built-in loudspeaker and a headphone output with volume control. The Secretary Unit enables proceedings to be recorded through a cassette recorder, for a stenographer present to take notes and to relay pre-recorded messages or music to delegates.</p> <p>Specifications for Secretary Current Consumption 50mA Max.Input Line, Playback Output Line, Record, Headphone with Volume Control Speaker Max Input 300mW Impedance 16Controls Monitor Speaker Volume Control, Headphone Volume Control Dimensions W145xH75xD180 mm Weight 1.15kg (w/o cable) Accessories 4 Pin Plug for REC/PB, 2.5m Interconnecting Cable Specifications for Chairman Microphone -63dBV/μbar, (7.5mV/Pa) Current Consumption < 50mA Max.
