District Health Society, Garhwa invites proposals from interested Chartered Accountant (CA) firms meeting the minimum eligibility criteria for providing their services for preparation of Bank Reconciliation Statement for all bank accounts maintained at District & block level offices for the period 2005-06 to 2017-18.

Background of the organisation, eligibility criteria, scope of work and general guidelines for submission of proposals are given in the following sections:-

Section I

1. Background

National Rural Health Mission (NRHM) of the Ministry of Health & Family Welfare (MoH&FW) was launched on 12th April, 2005 by the Government of India to improve medical facilities in the country. From 2013-14 onwards the NRHM programme has been subsumed under the umbrella programme of National Health Mission (NHM). NHM is overarching National Urban Health Mission (NUHM) and includes Communicable and Non-Communicable Diseases (NCD) as well. The NHM seeks to provide accessible, affordable and quality health care to the population, especially the vulnerable sections.

At present the following Programmes/Schemes come under the purview of National Health Mission:

A. NHM-RCH Flexible Pool:

- **RCH Flexible Pool** including Routine Immunization (RI), Pulse Polio Immunization (PPI) and National Iodine Deficiency Disease Control Programme (NIDDCP)
- **Health System Strengthening (HSS) under NRHM** including National Programme for Prevention and Control of Deafness (NPPCD), National Oral Health Programme (NOHP), National Programme for Palliative Care (NPPC), Assistance to State for Capacity building (Burn Injury), National Programme for Fluorosis (NPF).

B. National Urban Health Mission (NUHM) Flexible Pool

C. Flexible Pool for Communicable Diseases:

- National Vector Borne Disease Control Programme (NVBDCP),
- Revised National Tuberculosis Control Programme (RNTCP),
- National Leprosy Eradication Programme (NLEP),
- Integrated Disease Surveillance Project (IDSP).

D. Flexible Pool for Non-Communicable Diseases:

- National Programme for Control of Blindness (NPCB),

- National Mental Health Programme (NMHP),
- National Programme for Health Care of the Elderly (NPHCE),
- National Tobacco Control Programme (NTCP),
- National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS).

2. Institutional Arrangements

For the implementation of the above programmes, MoH&FW has mandated the creation of Integrated Health Society at State and District level, registered as legal entities under Societies Registration Act, 1860. State Health Society (SHS) works in close coordination with the Directorate of Health & Family Welfare and the District Health Societies (DHSs) work in coordination with the District Collector and District Chief Medical Officer (CMO). Program implementation is done through the DCMO's office, Community Health Centres (CHCs), Primary Health Centres (PHCs), Sub- Centres (SCs), RogiKalyanSamities (RKS) and Village Health Sanitation&Nutrition Committees (VHSNCs).

3. Funding Arrangements

Funds received by the State Health Society from the Govt. of India and the State Govt. are transferred to District Health Societies and therefrom to Block level Offices, as per approval/guidelines. In addition funds are also released from SHS/ DHS to NGOs/private entities under Public Private Partnership (PPP) arrangements.

Some of the programs of NHM are also supported by development partners such as the Asian Development Bank(ADB), GFATM/World Bank etc. for which credit agreements have been entered into by GoI with the respective development partners.

Each Programme under the umbrella of the integrated SHS/DHS maintains separate bank accounts, books of accounts and other financial records as per the requirement of each programme and also submits separate financial activity reports at varying frequencies to the respective monitoring unit in MoH&FW, GoI.

4. Banking Arrangements

At district & block level offices, multiple bank accounts are operated as per the guidelines. Certain accounts are programme specific while some are generalized. Number of Bank accounts being maintained at district/block level is mentioned in **Annexure 1**.(to be prepared by respective Office)

Scope of work

- After award of the assignment, the selected firm should prepare a list of the all the bank accounts under operation in the District and blocks thereunder during the period 2005-06 to 2017-18, indicating the account opening date (and closing date, if closed) thereof in consultation with the concerned district/block level official. - Bank Reconciliation Statements(BRSs) are to be prepared separately for all the bank accounts in operation during the period 2005-06 to 2017-18 at the district and block level offices, financial year-wise.
- In case any Bankaccount has been closed during the said period, BRS is to be prepared till the last FY in which the concerned account was closed. A situation may arise that BRS for all the accounts could not be prepared owing to non-availability of documents/formation. In such a condition, payment may be released for the accounts for which the BRSs have been prepared on a proportionate basis, after due consideration of the facts. However, submission of at least 75% of the required BRS is necessary to claim any payment.

If the L2 bidder refuses to execute the assignment/match L1 rate, JRHMS may approach L3 to execute the assignment at the rate quoted by L1, and so on.

In case a single bid is received **District Health Society, Garhwa** may award the work to the sole bidder based on appropriate price justification and recommendations of the Tender committee.
