~~~~~

Whereas, Covid-19, is declared as a global pandemic by the World Health Organisation. The Government of India also declared it as a disaster and announced several measures to mitigate the epidemic. Government of Kerala, has deployed several stringent measures to control the spread of the epidemic. Since strict surveillance is the only tool to prevent the occurrence of a community spread, the government has directed district administration to take all possible measures to prevent the epidemic.

And whereas, SRO notification issued by Govt of Kerala as Kerala Epidemics Diseases, Covid 19, Regulations 2020 in official gazette stipulates that all possible measures shall be incorporated to contain the disease.

And whereas, more than 5503 live cases are treated in various hospitals in the district as on date, and epidemiological investigation is being carried out in each case and their primary and secondary contacts is being traced and for the effective containment of further transmission of disease.

And whereas, new cases have been detected without any known source or link with COVID 19 patients or with any travel history, the district core group has recommended the following to be included as containment zones.

| Sl No | LSGI                           | Micro Containment & Ward No, Name                                                                                 |
|-------|--------------------------------|-------------------------------------------------------------------------------------------------------------------|
| 1     | Thiruvananthapuram Corporation | 01. Kazhakootam (Part)<br>Varuvilakom Colony areas<br>85. Palkulangara (Part)<br>Thengappura Lane, Kavaradi areas |
| 2     | Nellanadu Grama Panchayath     | 15. Mandapakkunnu (Part) Anappara, Vattavila areas                                                                |
| 3     | Malayinkeezhu Grama Panchayath | 16. Anappad (Part) Udaya Gardens areas                                                                            |
| 4     | Mudakkal Grama Panchayath      | 11. Mudakkal<br>12. Chemboor                                                                                      |

And whereas, the existing containment zones in the district was analysed, based on the test conducted among the primary contacts and other containment activities it is evaluated that the spread of the disease is contained to a larger extent and the containment zones in the following wards are recommended to withdrawn.

| Sl No | LSGI                         | Ward No & Name                                  |
|-------|------------------------------|-------------------------------------------------|
