

ADVISORY NOTE

It has been brought to the notice of the undersigned that some Village Headmen/Secretaries within the District have received a calling letter regarding Recruitment of Village Service Representatives under “GRAM VIKAS ROZGAR YOJNA” claiming to provide employment for rural educated boys and by demanding a pre-registration security amount of Rs. 1200/- in favour of KANAK ENTERPRISE. On evaluation of representation documents received at the Village, the same cannot be proven to be authentic and has a dubious objective. It is therefore, requested that all Village Headmen/Secretaries/Representatives to be vigilant and to not publicize or recommend any youth to proceed for registration or processing of Demand Draft until clear instruction is issued by a Competent Authority in a proper channel.
