

District Planning committee

After formation of the Maharashtra State in 1960 Government has adopted a policy of balanced development on the basis of district as a unit for formulation of Five Year Plans and Annual plans. For these purpose District Planning and Development Councils (DPDCs) have been constituted in every district. The Minister in-charge of the district was chairman of the committee. However the DPDCs has now been replaced by District Planning committees (DPC) constituted as per article 243 ZD of 74th Amendment of the Constitution. The provision for formation of DPC as per the article 243 ZD is as follows :-

The District Planning committee shall be constituted at district to consolidate the plans

- 1 prepared by the panchayats and the Municipalities in the district and to prepare a draft development plan for the district as a whole.
- 2 The legislature of the State may by Law, make provision with respect to
 - a The composition of the district planning committee
 - b The manner in which the seats in such committees shall be filled:
Provided that not less than four- fifths of the total numbers of members of such committee shall be elected by and form amongst the elected members of panchayat at the district level and of the municipalities in the district in proportion to the ratio between the population of the rural areas and of the urban areas in the district.
