Registration Process

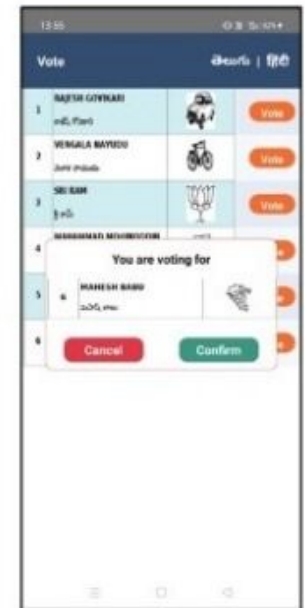

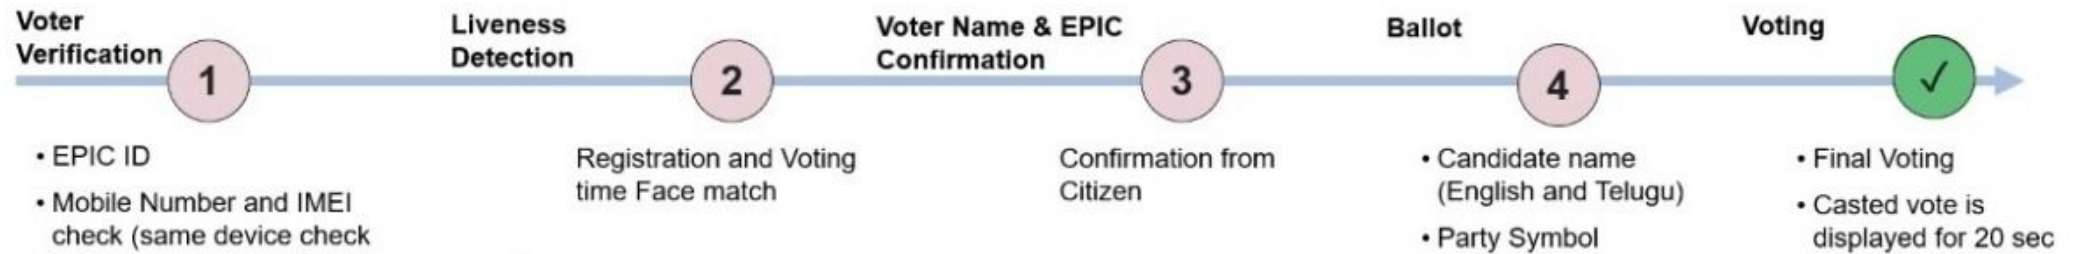

The citizen will need to register on the app when the window is open...

Voting Process

...and when registration is closed by TSEC, the Voting Module can be activated.

DRY RUN OF COUNTRY'S FIRST SMART MOBILE BASED EVOTING

The Telangana State Election Commission developed country's first smartphone-based **e-Voting Mobile Application** with the support of Information Technology (IT) Department of Telangana Government and Centre for Development of Advanced Computing (CDAC). The purpose of mobile voting is to facilitate certain categories of citizens to cast their votes remotely using smart phone (Android). This Mobile App will very useful to the voters who are unable to visit and cast his vote at Polling Station.

The Telangana State Election Commission implementing the e-Voting project on test basis (DUMMY ELECTION) in Khammam Municipal Corporation area before implementing the application as pilot basis in the ensuing Elections.

The Mobile App will have two stages

- 1. Voter Registration Stage** – The voter enters his EPIC Number, Mobile number, Aadhaar number for registration process. Voter verification will be done digitally by verifying voter details with Electoral Roll data as well as Aadhaar Details.

REGISTRATION PERIOD: 8-10-2021 TO 18-10-2021 (6:00PM)

- 2. Voting Process Stage** – The voter to cast his/her vote with the same phone & SIM by entering EPIC Number and Mobile Number and same will be verified automatically along with Device at server level and on success it displays the Digital Ballot for recording the vote. Casted Vote is encrypted, and recorded on Blockchain and Voter will be acknowledged that his vote is casted successful.

POLL : 20-10-2021 (FROM 7:00AM TO 5:00PM)
