

## Police

Police in the district is headed by the SSP (Senior Superintendent of Police). He is the over all in-charge of the law and order of the district. The SSP has four Additional SP rank officers under him. SP City looks after the law and order along with functioning and working of the Thanas in the Urban Areas. SP Rural looks after the law and order along with functioning and working of the Thanas in the Rural Areas. SP Traffic takes care of the traffic in the whole of the district and SP Crime looks after the heinous criminal investigations that require indepth analysis.

### Circle Officer (CO)

Under these four, come the circle officers (CO) who take care of the responsibilities of the Thanas allocated under them. 5 Circle Officers come under the SP Rural, 4 Circle Officers come under the SP City. CO Traffic comes under SP Traffic. There is also a post of CO Lines.

### Thana

At the big thanas or Kotwali, an SHO is stationed and others are manned by SO. Below the SHO is the SSI and SI under the SO. Thanas have various Chowkis under them where the Head Constable(HC) and Constable are stationed with Beat Officers under them to stay on rounds in their earmarked areas.

### Other related units

In the Police lines or reserve lines under the RI the reserve force of the police is stationed along with the reserve equipment. They report directly to the SSP.

Local Intelligence is taken care by CO LIU who has an important role in giving inputs to police and magistracy regularly.

District Control Room looks after the rural area and City Control room of the urban area. Together they help in coordination and in completion of communication channels throughout the district.

There is a Mahila Thana functioning under CO 1st for crimes and issues specific to women.
