11	Sh. Rajan Singla BDPO, Ladwa	7015305641

During the lock down period, the administration has made arrangements for essential services to be delivered for citizens at door-step for citizens. For this purpose, it has been decided that the vendors in the Ladwa who do have capability/ arrangement for home delivery be identified and their names & mobile nos. be publicised widely so that people/ citizens in general can contact and order essential commodities in general. The details for such vendors and concerned services are as given.

Over and above this the district administration has also made elaborate plan to ensure door-step services to all citizens of Ladwa regarding the essential services. For this purpose, the entire city of Ladwa constituting of 15 wards has further been divided - Each ward is

further divided into appropriate sub-units. Thus, the whole city being divided into 32 sub units. Each sub unit has been assigned to one Rehri vendor duly registered with market committee. This vendor shall ensure regular supply of vegetables, fruits, milk (where needed) and even groceries needed to each household on daily basis. The detail plan for the purpose is as follows:

In Rural belts, the BDPO's have been directed to issue instructions to Gram Sachivs to tie up with area Depot Holders in order to deliver rations to BPL families at door-step & to ensure supply of essential commodities to villagers in general with help of local panchayats. However, they must also ensure proper precautionary methods such as use of masks, hand gloves, washing of hands, sanitizers etc. by the vendors as well as delivery staff.

These are the details of such vendors that provide delivery of essential commodities such as medicines, groceries and milk etc. at door step. Apart from this the emergency services such as ambulances or means of transport for very restricted/essential purposes can be summoned by the citizens.
