

Kapurthala gets first nasha Mukti Dal

District Administration Kapurthala takes a step forward to curb the menace of drug by launching “nasha Mukti Dal” in 16 hotspots in district kapurthala. There are 16 hotspot(Drug affected villages) in which this group is constituted the volunteers of nasha Mukti Dal have been provided red kurta and pajamas. The volunteers will be the eyes and ears of district administration to keep check on drug paddling.

Deputy commissioner SH.DPS Kharbanda said that Nasha Mukti Dal has been established in 16 hot spots in district. Two groups have been constituted in each spot and each group have 5 volunteers who are monitoring the wrong elements and are making people aware about drugs and are helping in the treatment and rehabilitation of the victims.

He said that kapurthala will be made the first drug free district of Punjab. He called upon the members of Nasha Mukti Dal of the village that they should work hard to free their village from drug addiction and contribute to the success of anti drug campaign of the government.

The campaign launched by District administration to eliminate the drug abuse room the root can only be successful if all the people try it together.
