

All entry points, major intersections and roads of Kapurthala city would be beautified

In view of the 550-year-old Prakash Prab of Sri Guru Nanak Dev Ji, the appearance of all the entry points, intersections and roads of the city are being changed to beautify the city of Kapurthala.

A digital screen has been installed at DC Chowk which will provide complete information about the heritage city Kapurthala's prestigious history, culture, historical sites and buildings and weather
