

## KAPURTHALA

COVID-19

17/09/2021

[#Great](#) efforts

Vaccination

5 lakh figure crossed in kapurthala. Total 503846 people vaccinated. More than 70 % population got first dose of vaccination.

Thanks to health workers, civil and police administration and the most to people who came in large no for mass vaccination. Religious and social Institutions also played significant role to achieve this.
