*Dear Dr. Gairola Sahib,*

It is my pleasure to write in appreciation of Shri. Jamyang Namgial, Technical Director, NIC on behalf of the LAHDC, Leh. Shri. Jamyang Namgial, an officer native to Leh, has shown commitment and honesty in his duties and has supported the development activities of the LAHDC-Leh right from the start of his tenure. His leadership skills, team building abilities and problem solving skills have resulted in the successful implementation & completion of various projects of LAHDC-Leh. In addition, Shri. Namgial has also gone beyond his call of duty by aiding the LAHDC-Leh in formulating new projects in Leh district such as the Wi-Fi Connectivity Project, LAHDC Funds Compilation Project, WAN by establishing VC & DAMA Vsats Project in Hill Council Secretariat & Nyoma Sub Division, and the LAHDC IT Training Centre Project for imparting training to our councillors & district officers.

I am contented with the performance and technical contribution of Sh. Jamyang Namgial, Technical Director, NIC to the Ladakh Autonomous Hill Development Council, Leh. His dedication, honesty, technical expertise and above all encouragement to the NIC team at Leh have helped LAHDC-Leh to move towards an IT competent Ladakh.

I am certain that Sh. Jamyang Namgial's innovative thinking and leadership will motivate others in the district and his contribution towards the IT Sector in Leh district will go a long way in realizing the vision of the LAHDC, Leh. He is an asset for us and deserves every encouragement. I request that the excellent performance rendered by the said officer be entered in his service record.

We are looking forward to seeing that the growing relationship of NIC and LAHDC is mutually beneficial.

With warm regards,

Yours sincerely,
