

## ORDER

Procurement season for Wheat and Mustard foodgrains is likely to commence shortly. For harvesting of the crops, combine harvesters/machines would be put into use by the farmers. These combine harvesters would be moving from one location to another even may enter the district boundaries from neighbouring states of Punjab/Rajasthan. The movement of agriculture machinery, combine harvesters is permissible.

Necessary orders prescribing certain conditions for movement of the combine machines has already been issued to all concerned. However, it has been brought to the notice of this office that in some cases combine harvesters with operators and helpers would enter in district Sirsa and in some other cases, only driver to operate the machines already available in this district would come from other district/adjointing state of Punjab and Rajasthan. A complete record of movement of each machine/person is necessary to be maintained. It has, therefore, been decided to issue e-passes as is done in other cases by submission of applications on [saralharyana.gov.in](http://saralharyana.gov.in). The applicant will have to apply online at [saralharyana.gov.in](http://saralharyana.gov.in) alongwith a prescribed application form duly filled in and signed by the applicant. The prescribed form is available at the Website of Sirsa district i.e. [sirsa.gov.in](http://sirsa.gov.in) which can be downloaded and the same will also be put in the whatsapp group of the combine operators.

Nodal Officer for e-Passes (Xen. Panchayati Raj, Sirsa) will consider the same and if the prescribed form, beside other formalities, is complete, approve the same accordingly and the same would be valid e-pass for movement of the machine/drivers, as the case may be and the officer on duty at respective Naka will permit them after proper basic screening, sanitization, recording of entries in the register etc. as ordered earlier.

D.D.A. Sirsa and A.A.E. Sirsa will be Nodal Officers to keep a complete record of the movement/deployment of machines in the district and also creat a Whatsapp Group for monitoring and timely transmission of information.

*scd*  
Deputy Commissioner,  
Sirsa.

Endst.No. 19196-220 /MA
