**Subject: To facilitate Education Department - uplinking of four Haryana Edusat channels by the local cable/DTH for the use of students during the period of lockdown.**

Kindly refer to the subject cited above.

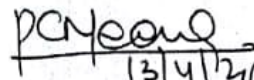

As you are all are aware that the entire country is passing through a lockdown period in the wake of spread of Corona Virus (Covid-19) pandemic. All the State Governments are doing all out efforts not only to get rid of this pandemic as early as possible but also taking steps to take care of other sections of society who are locked in their homes in a bid to cooperate with their respective governments.

In this connection, the Haryana Education Department, vide their Memo No. UTKARSH/2020/Covid-19/Home/Spl-5 dated 10.04.2020, has decided to provide academic learning for Classes 1 to 12 at home to over 52 lakh students in the State through Haryana EDUSAT Net work. This step has been taken due to the reason that E-learning service i.e. [www.haryanaedusat.com](http://www.haryanaedusat.com) created by Haryana Government for the same purpose has only been able to cater to the needs of 35% students as this process required internet services besides other gadgets like computer/laptop, tablets etc. In this regard, Hon'ble Chief Minister, Haryana has also sent a D.O. letter on 12.04.2020 to Hon'ble Union Minister of Information & Broadcasting, Govt. of India, New Delhi.

In the light of above, I would like to request you to kindly look into the matter and facilitate the request of education department that the Cable Operators in your districts, to carry the four (4) Haryana EDUSAT Channels on their platform as per guidelines of Ministry of Information & Broadcasting and TRAI for the benefit of the students of Schools/ Colleges all over Haryana in view of special circumstances arises due to the lockdown.
