Memo No. ADULB/Admn./2020/25533
Dated: 17.04.2020

Subject:- Handling, treatment and disposal of used masks, hand gloves and other PPEs.

In continuation to this office memo No. EE-IV/DGULB/2020/946 dated 02.04.2020 and memo No. ADULB/Admn./2020/25229 dated 05.04.2020 on the subject cited above.

2. Haryana State Pollution Control Board, Panchkula has issued directions for handling, treatment & disposal of used masks, gloves and other PPEs vide letter No. HSPCB/HQ/SWM/2020/94-96 dated 16.04.2020, copy of the same is enclosed herewith for ready reference.

3. It has been informed by HSPCB vide above referred letter that wearing of masks/face covers in public/work places is now compulsory across the country to avoid the infection of COVID-19 as Corona virus spreads through respiratory droplets released when an infected person coughs, sneezes and speaks or through droplets of saliva or discharge from the nose. Therefore, used masks may spread the infection as it contains viruses and bacteria. Hence, scientific disposal of masks, gloves and other PPEs is most important to stop the spreading of viruses and other diseases. Likewise PPE including face mask, hand gloves etc. being used at healthcare facilities, quarantine camps/homes, sample collection centers & laboratories need to be collected in specially marked yellow garbage bags and be disposed off through authorized Common Bio-medical Waste Treatment Facilities (CBWTF).

4. In view of above, please direct all the concerned to collect the used masks & gloves from the domestic individual households, offices, quarantine houses/camps & other units separately in specially marked yellow garbage bags or closed dustbins without mixing with normal household/domestic waste and hand over to the agencies designated by HSPCB for the safe and scientific disposal of biomedical waste in all the Municipalities.

5. The compliance report in this regard should be forwarded to this office at email id : ee4dulb@gmail.com.

6. Strict compliance of the above directions be ensured by all concerned.

Encl. As above.

Additional Director (Admn.) 17/04/2020
for Additional Chief Secretary to Govt. Haryana,
Urban Local Bodies Department.

Endst. No. ADULB/Admn./2020/25534
Dated: 17.04.2020

A copy of the above is forwarded to the following for information and necessary action please:-

1. Member Secretary, Haryana State Pollution Control Board, Panchkula.
2. Director General, Health Services, Haryana, Panchkula with the request to direct all the Civil Surgeons in the State to ensure the compliance of above instructions.

Additional Director (Admn.) 17/04/2020
for Additional Chief Secretary to Govt. Haryana,
Urban Local Bodies Department.

CC:-
1. PS/ULBM.
2. SPS/ACSULB.
3. PA/DGULB.
4. EE-IV, DULB for compilation of reports.
No. HSPCB/HQ/SWM/2020/94-96

To

1. The Additional Chief Secretary to Govt. Haryana
   Urban Local Bodies Department.
2. The Principal Secretary Govt to Haryana
   Development & Panchayats Department.
3. All Deputy Commissioners.

Sub: Handling, Treatment, and Disposal of used Mask, Gloves and other
PPEs.

Whereas CPCB has issued the guidelines for Handling, Treatment, and
Disposal of Waste Generated during Treatment/Diagnosis/Quarantine of COVID-19
Patients-Revision 1 on 25/03/2020 wherein specific responsibilities/duties of Urban
Local Bodies, State Pollution Control Boards/ Pollution Control Committees, a person
operating quarantine camps/quarantine home/Homecare, and Common Bio Medical
Waste Treatment Facilities are defined. These guidelines were circulated by the
Board Vide letter no No. HSPCB/HQ/SWM/2020/1362-66 dt 28.03.2020 to all
concerned departments/agency for compliance in the State of Haryana.

Whereas Joint Secretary & mission director, Swachh Bharat Mission, Govt of
India has issued the Additional advisory for maintaining cleanliness during lockdown
period(COVID-19) on 26/03/2020 wherein the instructions is given regarding special
cleaning of public places, Safe disposal of waste from quarantined households, Safe
disposal of masks and other related waste from non-quarantined households,
Welfare and protection of Sanitary workers engaged in collection and transportation
of COVID-19 waste. This advisory has been circulated by the Board Vide letter no
No. HSPCB/HQ/SWM/2020/1362-66 dt 28.03.2020 to all concerned
departments/agency for implementation and necessary action in the State of
Haryana.

Wearing masks/face covers in public/work places is now compulsory across
the country to avoid the infection of COVID-19 as corona virus spreads through
respiratory droplets released when an infected person coughs, sneezes and speaks
or through droplets of saliva or discharge from the nose. Therefore used masks may
spread the infection as it contains viruses and bacteria. Hence, scientific disposal of
masks, gloves and others PPE is most important to stop the spreading of viruses
and other diseases.

PPE like face masks, gloves etc being used Healthcare Facilities, Quarantine
Camps/ Quarantine-homes/ Home-care, Sample Collection Centre’s, Laboratories
be collected in especially marked yellow garbage bags and be disposed off through
authorized Common Bio Medical Waste Treatment Facilities.
Waste such as used masks and gloves etc generating from domestic household and officers/officials/employees on duty in the field is also be treated as Bio-Medical Waste and need to be collected separately in especially marked yellow garbage bags or closed dustbin without mixing with normal household/domestic waste. This waste should be kept at designated places with wrapping in separate wrapper and shall be disposed off through authorized Common Bio Medical Waste Treatment Facilities engaged by Urban Local Body and Local Authority.

In view of above, it is requested to direct all the concerned to collect the used masks and gloves from the domestic household or other places separately in especially marked yellow garbage bags or closed dustbin without mixing with normal household/domestic waste. After collecting, the waste be kept at designated places to hand over to the same to authorized Common Bio Medical Waste Treatment Facilities for proper treatment and disposal (through incineration) to avoid any health issue. Detail of authorized Common Bio Medical Waste Treatment Facilities is annexed herewith.
