TO SAFAI KARMACHARIS / SANITATION WORKERS REG.**

Sir/Madam,

This is regarding the Sanitation Workers performing the essential service of cleaning and handling house hold waste without any proper protective gears during the Covid-19 pandemic. This, while not being aware whether they are working in the area having Coronavirus infected patients.

2. It has come to the notice of this Commission through electronic media that numbers of Safai Karamcharis have been infected with Covid-19 infection while they were working without proper protective gears.

3. In view of the above I am directed to request you to kindly ensure that all the Safai Karamcharis / Sanitation Workers be equipped with PPE while on duty. Apart from it, adequate quantity of soaps and sanitizers be made available to the Safai Karamcharis / Sanitation Workers while on duty, in all the organisations in your district.

4. As far as Safai Karamcharis/Sanitation workers working in hospitals having Covid 19 patients under treatment, PPE at par with doctors / para medical staff may please be given.

Yours faithfully,
