

## ORDER

Consequent upon detection of Corona positive cases in any locality in district Sirsa, to prevent its spread in the adjoining areas, Containment Zones are demarcated under the protocol of nCOVID-19. And an action plan is also prescribed to carry out active search for cases through physical house to house surveillance; testing of all suspect cases as per sampling guidelines; contact tracing; strict enforcement of social distancing; clinical management of all confirmed cases; quarantine; isolation and other public health measures in the Containment Zones and passive search in Buffer Zone through deployment of team of Health Workers beside putting restrictions on movement of public and running of activities in the respective containment zones.

A review of the activities being undertaken by the Health Department in the Containment Zones was held with the Civil Surgeon, Sirsa in the presence of Sub Divisional Magistrate, Sirsa. It has been reported by the Civil Surgeon, Sirsa vide his office letter No.IDSP/2020/1676 dated 10.06.2020 that there has been no increase in number of cases in most of the Containment Zones, therefore, it would be appropriate to reduce/reconsider the boundary of the Containment Zones.

Hence, keeping in view the suggestion made by the Civil Surgeon, Sirsa and after taking into account the negligible number of flu-cases detected during surveillance, the existing area under the following Containment Zones have been considered to be reduced appropriately. However, active surveillance for case search in the area already demarcated will continue till it complete 28 days from the commencement of the Containment activity. Further, other duties assigned to various officers in respect of the activities being undertaken shall continue as such till it completes the required period of containment:

1. Main Road, HUDA Colony adjoining BSNL Exchange, Mandi Dabwali
2. Noharia Bazar, Sirsa road leading from Ghanta Ghar Chowk upto Gali Kanda wali, Sirsa.

Sub Divisional Officer (Civil) concerned will get the boundary of the Containment Zone reduced appropriately and also ensure that all other activities as prescribed in the containment zone orders are continued as such.

  
Deputy Commissioner,  
Sirsa.
