

COLLECTOR OFFICE NANDED

A proposal to install non-conventional LPG cremator at various Urban Local bodies in Nanded district is under consideration.

Interested manufacturers/vendors are requested to attend this office online or offline on 18.05.2021 at 4 PM along with a precise power point presentation (max. 6 slides) of their product.

The presentation should include the size, specifications, capacity, total expenditure, expenditure required for per body cremation, pre requisite, installation charges, applicable GST etc. details and time required for supply and installation etc. relevant details.

NOTE :-

- 1. Interested manufacturers/vendors should send their power point presentation on office mail id - www.daonanded1@gmail.com on or before 16.05.2021**
- 2. The link for online discussion will be provided to the responding email IDs.**
