About the Campaign

“Computer Literacy Campaign” is an initiative of the district administration to equip our students, youths and working professionals with the use of computer in the modern era. We believe that the use of technology would make them even more capable and smart both academically and professionally.

Programme Highlights

- ✓ 5 weeks computer training programme
- ✓ 1 week exclusive training on soft skills
- ✓ Certified course (Certificate to be given by the District administration on successful completion of the course)
- ✓ Special hindi typing classes for meritorious students

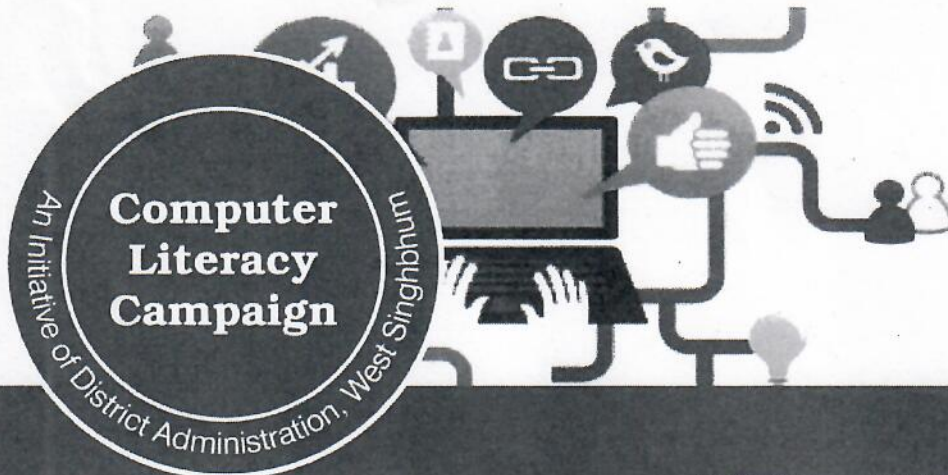

Who can apply

Any school or college going students, professionals, office employees or their family members can apply. The enrolment form can be obtained from the New DC Office (DeGS, Room No.: OR-09, Ground Floor, West Singhbhum) during office hours

Note- This is merely training and doesn't entitle any right to job with district administration.
