Revised Guidelines
Special Projects for Placement Linked Skill Development of Rural Youths under Aajeevika (NRLM)

Following the recommendations of an Inter Ministerial Group (IMG) constituted to address the issue of capacity building and training of the unemployed youth in the rural areas, a new component called Special Projects for Skill Development of Rural Youth was introduced in Swarnajayanti Gram Swarozgar Yojana (SGSY), designed to equip the unemployed rural youth from BPL households with skills which would enable them to either secure placement in the industry or pursue sustainable self employment opportunities through Micro Enterprises.

The Ministry has initiated this program in the year 2004-05 and over the years, the programme has scaled up significantly. Under this Scheme, rural BPL youth are provided training, after which they are placed in the organized sector. The training is of short duration, normally up to 3 months. The implementation of this Programme is entrusted to qualified Project Implementing Agencies (PIAs), having capabilities in both training and placement and selected by the MoRD through a transparent and objective appraisal process. The P.I.As mostly belong to the private sector.

Demand for skilled labour is expected to increase in the coming 10 years. In the 12th Plan, skilling of 50.0 lakh rural B.P.L youth would be undertaken under NRLM with an outlay of Rs.7500 to Rs.8000 crores. The Ministry has therefore, has accorded high priority to this work and has set up a Skills and Placement Sub Mission under NRLM.

The kind of scaling up now envisaged requires a very active participation from the State Governments. The States are in a better position to identify deserving poor candidates, assess local skill gaps, propose suitable skilling programmes, monitor training and placement and muster support for the trainees in the initial stage. Government of India has accordingly taken a decision to entrust the responsibility of implementing the programme to the States as soon as the necessary capacity for the purpose is available.
In light of the experience of the Ministry over the last eight years, the guidelines for implementation are revised as below. The revised guidelines are issued in supersession of the earlier guidelines issued under SGSY Special Projects.

1. Objective of Special Projects:

The objective of each Special Projects for Skill Development would be to ensure a time-bound training and capacity building programme delivered by a Project Implementing Agency (PIA) for bringing a specific number of Below Poverty Line (BPL) families above the poverty line through placement ensuring regular wage employment.

2. Nature of Beneficiaries

2.1 The target groups for these projects are candidates from rural BPL households.

2.2 BPL beneficiaries from families who have completed 100 days (or maximum permissible days of work) under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) should be given preference in selection of beneficiaries under the Project

2.3 The number of rural BPL candidates to be covered should be specifically indicated in the Project Proposal along with proposed trades, districts, course duration etc.

2.4 Disabled/SC,ST, Women Head of Families.

3. Project Implementing Agency

3.1 The following entities are permitted to pose proposals for implementing projects under Aajeevika Special Projects:

a) Private Companies, both for Profit and Not for Profit

b) Non Government Agencies

c) Federations of SHGs, provided that the Federation is registered either under the Cooperatives Act, The Society Registration Act, the Trust Act etc.

d) Panchayati Raj Institutions
e) Government/Semi Government Organizations/Autonomous Government Organizations at the State and National Level

3.2 The Ministry of Rural Development has developed a template in which agencies interested in implementing projects under the Special Project component of Aajeevika, should submit their proposals in. The same is attached at Annexure I

4. Key Processes undertaken by the PIA

4.1 Identification of project area:

The Special Projects should be formulated/posed particularly by the Project Implementing Agencies (PIAs) with focus on districts having high incidence of poverty. There must be equity maintained in the coverage, across high poverty districts.

4.2 Mobilization and Selection of Trainees:

The quality of mobilization undertaken by PIAs has been seen to have a significant impact on the retention of trainees during the training programme and in the jobs they are placed in. To ensure that mobilization is undertaken in the most systematic and informed manner, the following have to be ensured:

4.2.1 The PIA will be responsible for mobilizing all interested youth between the age of 18-35 years in the districts in which the PIA has proposed to implement the project.

4.2.2 The PIAs will be advised to adhere to a systematic rolling out of the mobilization drive, while ensuring that the concerned Gram Panchayats, Block Level Officers, District Level Officers are made aware of the projects and its implementation details.

4.2.3 The PIAs are also advised to tie up with local Non-Governmental Agencies and Community Based Organizations (CBO) in mobilizing the youth, to maximize their comparative advantage of local reach and impact as it has been felt that Self Help Groups and their federations will be natural partners of the PIA in its efforts to mobilize interested youth of the area.

4.2.4 The Project Implementing Agency (PIA) will take appropriate awareness and publicity campaign in local electronic/print media, conduct roadshows and organize
meetings especially in SC, ST and minority pockets in rural areas for selection of beneficiaries.

4.2.5 Priority should be accorded SC/ST, minorities and women headed rural BPL household duly verified by the Panchayat / Block/ Tehsil functionary as BPL may be treated as sufficient for candidate selection by PIA/DRDA.

4.2.6 The Implementing Agency will ensure that out of the total beneficiaries covered, a minimum of 50% will be from SC/ST.

4.2.7 Women, Persons with Disabilities and minority categories have to be accorded a priority in selection of candidates depending on demographic profile and trade requirements.

4.3 Preliminary Screening of Candidates:

4.3.1 The trainees mobilized, have to be put through an assessment process or other basic screening tests to assess the need and aptitude that are fundamental to the trades in which training is to be imparted and also to reduce mid course/post training dropout of candidates before placements.

4.3.2 The PIA shall ensure an interaction of its training center staff with the parents/guardians of the trainees undergoing training at least twice for every training batch, at the beginning of the training programme and before the placement process.

4.3.3 The PIA must receive a ‘Parent Consent Form’ (Annexure VI) from the parent/guardian of every trainee prior to the commencement of his/her training. The Parent Consent Form details the nature of benefits that his/her child is entitled to access through the Skills and Placement Programme. Most importantly, it lists the nature of the potential job opportunity that his/her child can avail on the completion of the training programme so that the parents and the potential trainees make an informed decision about the nature of benefits that they will be able to accrue through the Programme.

4.4. Training:

The objective of the Aajeevika Special Projects is to impart necessary skills for regular employment, so that the initial salary earned by a trained candidate is not less than the prescribed minimum wage of the State. In addition to technical
skills, IT and soft skills are also to be imparted to beneficiaries to face transition challenges of moving from an agrarian backdrop to the industry environment

4.4.1 Training Center and Minimum Quality Standards:

i. The total number of trainers in a center should be equal to 1 Soft skill/Communicative English trainer + 1 IT trainer and the number of domain trainers equal to the number of domains the PIA wants to run at the particular Centre. (For example, if a PIA wants to run training in 3 domains at a training center than the number of trainers must be at least 3 domain trainers + 1 for soft skills + 1 for IT i.e. 5 trainers)

ii. The PIA must strictly maintain separate practical labs for each domain that is being taught.

iii. PIAs must meet all minimum requirements of training Centre physical infrastructure before starting the batch.

iv. The physical infrastructure in every training center should be duly verified by the Training Center Incharge of the PIA, as per the Due Diligence Format enclosed.

v. No batch at the training center will be allowed to start without an authorization by the Concerned authority of the PIA from its head office indicating that he/she is satisfied about the presence of minimum infrastructure at the Center, as verified by the PIA’s Training Center Incharge

vi. PIAs must submit the due diligence form on the Ministry MIS before starting the batch.

vii. Every Training Center must visibly display the following templates, as per the format enclosed. (Annexure VI)

- Activity Planner
- Entitlement Chart
- Training Center Sign Board
- ID Card
- Training Certificate

viii. Travel and Food Allowance of Rs 50 for every day (or amount as per the project sanction order) of the training programme attended by the trainee
should be credited to the bank account of a trainee every fortnight. PIA's shall not link this with attendance of students as it is not an incentive to be provided for attendance.

ix. No new infrastructure creation is envisaged under the Scheme. Leveraging and utilization of existing infrastructure and facilities for operation of training centers is the fundamental principle. This enables appropriate use of underutilized infrastructure and helps immediate start of the training programme in decentralized locations.

x. The PIA has to arrange for requisite machinery and equipment on its own or from the prospective employers to the extent possible on lease/rent or as contribution/participation of employer.

4.4.2 Training Content:

The PIA has to ensure innovative content development with inputs from the industry to ensure employability as per current industry practices.

i. Course/curriculum should preferably be designed jointly with prospective employers/industry.

ii. Training and course content into local languages has to be ensured to enable better absorption by BPL youth who may not have exposure to English.

iii. The PIA must mandatorily introduce modules on IT training and soft and communication skills in their training module.

iv. The PIA should ensure that the course curriculum and training module that will be adhered by it during the training programme, is uploaded on its website.

v. The training module of a PIA should include a ‘Work Readiness Module to be communicated to all trainees on the last 3 days of the training programme. This is to acquaint them with what to expect at the work site and to provide clarity on what is PF, overtime, his / her entitlement as an employee, call centre / facilitation centre details etc.

4.4.3 Course Duration:

Preferably short duration of upto three months so that the opportunity cost of being away from productive work opportunities during training period are minimized.
4.5. Certification and Assessment of trainees:

Independent certification and assessment by third party agencies acceptable to the industry or employers is mandatory to ensure high quality standards and employment.

4.6. Trainee accommodation:

In the case of non-residential training programmes the PIA must make efforts to assist the placed candidates in accessing boarding & lodging facilities in the cities they have been placed into jobs. In the case of residential training programmes, the PIA must provide free accommodation for all trainees for the duration of the training programme, which meets the minimum standards as prescribed by the Ministry of Rural Development.

4.7. Placement Linked:

Assured placement for at least 75% of the trainees. This is a demand driven programme and one of the main pre-requisite of the programme is the commitment of the PIA/Industry to employ the trained persons.

4.7.1 It will be mandatory for every PIA to issue a Preliminary Offer Letter, as per the format enclosed (Annexure VI) to every successfully placed candidate before he/she leaves her native place / home for work. The Preliminary Offer Letter will list down the following:

i. Agreed terms and conditions between the PIA and the Employer on the basis of which the candidate has been hired

ii. Take home salary of the candidate

iii. Break up of salary into benefits

iv. Contact details of the nodal person in the PIA responsible for facilitating the placement of the candidate in the city

v. Items that are advised to be carried by the candidate to the new area of work etc. The format of preliminary offer letter is enclosed.
4.7.2 The PIA must appoint a nodal person from its organization to accompany successfully placed trainees to their place of work whose role would be to facilitate the placed trainees to find accommodation, get a local mobile number, bank account etc. This will help in minimizing the anxiety among newly placed students at the new work location.

4.7.3 As the scheme mandates tracking of placed trainees for a period of one year, it is understood that placement does not mean issuance of offer letters. A candidate shall be considered as 'Placed' only if the candidate is continuously working for a period of minimum 3 months on providing a job by the PIA after completion of training.

4.7.4 PIAs shall submit salary slips as proof of continuation in job for the 3 months. This 3 month period is a part of the one year tracking which the PIA is required to do as part of the scheme.

4.8 PIA Website:

It will be mandatory for every PIA to maintain their individual website with links to its training content and the Ministry MIS. PIAs are required to maintain a separate website for each project sanctioned to them. The website must meet the minimum content as per directions of the MoRD.

4.9 Management Information System (MIS):

The PIAs are required to update data regarding their projects on the Ministry’s MIS, as detailed in the MoU and in addition as and when prescribed by the Ministry of Rural Development. The PIA will be required to designate an authority within the PIA who will be responsible for updating the required data on the MIS.

5. Appraisal and Approval of Projects submitted for consideration:

5.1 All PIAs proposing to implement their project in a single State are required to be first recommended by the concerned State Government. Once the proposal has been recommended by the concerned State Government along with indicating its/PIA’s commitment to finance 25% or 10 % of the project (as case may be), the proposal will then be submitted to the Programme Division in the NRLM, MoRD, GoI for its appraisal process.
5.2 All proposals that are submitted to the Division undergo a desk appraisal by the concerned authorities within the National Rural Livelihood Mission Division. Desk appraisal of the projects is conducted on the basis of a score card (Annexure II).

5.3 A team from the Monitoring Agency conducts a field appraisal on those PIAs who have successfully qualified the desk appraisal.

5.4 Subsequent to the Field Appraisal, a Project Screening Committee (PSC) meeting, chaired by the Joint Secretary (Rural Livelihoods) is held to screen the qualified proposals which are taken forward to the PAC for further approval. The composition of the Project Screening Committee (PSC) is as follows:

   a) Joint Secretary (SGSY), D/o Rural Development (Chairman)
   b) Director/Dy. Adviser (RD), Planning Commission (Member)
   c) Director/Deputy Secretary (IFD), D/o Rural Development (Member)
   d) Special Invitee/Expert (Member)
   e) Director/Deputy Secretary/Joint Director dealing with the subject (Member-Convenor)
   f) Director/Deputy Secretary, Ministry of Small & Medium Enterprises (Member)
   g) Director/Deputy Secretary, Ministry of Tourism (Member)
   h) Director/Deputy Secretary, Ministry of Labour and Employment (Member)
   i) Nominee of Secretary, Department of Rural Development, Concerned State Government (Member)

   The Committee would refer the screened projects to be placed before the Project Approval Committee (PAC) for final approval after which the project will be sanctioned.

5.5 Subsequent to the PSC Meeting, the Project Approval Committee (PAC) meeting, chaired by the Secretary (RD) is held to take a final decision on the qualified projects that were screened at the PSC Meeting. The composition of the PAC is as follows:
The composition of the Project Approval Committee (PAC) would be as under:

a) Secretary, Ministry of Rural Development (Chairman)
b) Adviser (RD), Planning Commission (Member)
c) AS&FA, Ministry of Rural Development (Member)
d) DG – CAPART (Member)
e) Special Invitee/Expert (Member)
f) Joint Secretary (SGSY) (Member-Convener)
g) Joint Secretary, Ministry of Tourism (Member)
h) Joint Secretary, Ministry of Small & Medium Enterprises (Member)
i) Joint Secretary, Ministry of Labour and Employment (Member)
j) Principal Secretary, Department of Rural Development, Concerned State Government (Member)

5.6 The MoRD has devised service standards that list the maximum time that can be taken by all authorities involved in the appraisal of projects, including the person to be held responsible for violation of the standard time limits. These service standards will be applicable from the FY 2013 onwards.

5.7 1st April - 30th April and 1st August- 31st August will be the two window periods during which all proposals to be considered under SGSY Special Projects must be submitted. This window will be operational from the FY 2013 onwards.

5.8 The Project Screening and Project Approval Committee will consider projects as per guidelines which inter-alia prescribe the following conditions for implementation:

5.8.1 No stipend will be paid to the beneficiaries during the training period out of MoRD funds.

5.8.2 The implementing agency will furnish a certificate to the effect that the beneficiaries trained and/or placed have not been assisted under any other Government programmes for similar skill development/training.

5.8.3 A Web based monitoring system is to be established and a web site for this project with details regarding beneficiaries, training, income etc will have to be maintained by the PIA and beneficiaries tracked at least for one year.
5.8.4 The PIA shall continue to track the trainees after placement for a minimum duration of 12 months after placements and submit to the SRLM, 'Post Placement Tracking Reports' with respect to the batch at the end of 3 months, 6 months, 9 months and at the end of 12 months after the placement.

5.8.5 No capital assets, equipment or infrastructure would be supported with government funding under the project and only expenses on consumable and apportioned revenue expenses (rental etc.) on training related infrastructure will be permissible.

5.8.6 Implementing Agency will furnish an affidavit to the effect that the infrastructure or cost components included in the project proposal has not been funded or are proposed to be funded under any other government programmes/schemes before release of funds by the coordinating agency to IA.

6. Enhancing State Government’s ownership of Aajeevika Special Projects and Discontinuation of Multi State Projects:

6.1 Multistate projects would now no longer be considered in the Ministry.

6.2 Only single State Projects recommended by State Government under skill development programme would be considered by Ministry of Rural Development, Government of India.

6.3 If a PIA has a proposal for implementing the project in several states, it should propose them as State specific projects and apply only through the respective State Governments.

6.4 In case of new Project Implementing Agency, the total target number of beneficiaries to be trained would be restricted to 2000.

6.5 States that have the organizational readiness to appraise sanction and monitor skill development projects would be required to prepare Annual Action Plan (AAP) and State Perspective and Implementation Plan (SPIP). AAP and SPIP meeting the appraisal criteria would be considered by NRLM Empowered Committee for approval. State Governments/PIA, as the case may be, would be required to contribute 25% of AAP/SPIP budget. The financial resources contributed by the States should be outside the budgetary resources available to States under NRLM.
6.6 While forwarding the project proposals State Government should ensure the following:-

(a) Project recommended by State Government meets all the essential parameters as per the revised guidelines and satisfies themselves about the credibility and past performance of the Project Implementing Agency.
(b) Demand for trades and the potential for employability as assessed by PIA in market scan in the given districts has been seen and recommended by the State Government.
(c) District wise targets for different trades have been approved by State Government.
(d) Copy of score card and the appraisal note approving and recommending the project is sent to the Ministry along with project proposal.

6.7 Any change in the districts/targets/trades, once the project is approved by Ministry, will be done only with the recommendations of the State government concerned along with justification.

6.8 The State Government must abide by its commitment of financing 25% or 10% of the Project Cost, as the case may be. However, wherever the State Government is not in a position to commit 25% of the total Project Cost, the PIA concerned shall be permitted to contribute towards financing 25% of the total Project Cost.

7. Funding:

7.1 Size of the Project Cost:

7.1.1 MoRD provides funding support up to 75% of the training cost. Balance is to be mobilized by the Implementing agencies through contributions from State Government, industry and other sources. The maximum investment, inclusive of all components and State share, under each Special Project should not exceed Rs.15.00 crore and the minimum project cost shall not be below Rs. 1.00 crore.

7.1.2 Recurring expenditure such as creation of posts or vehicles or maintenance expenditure shall not be admissible in the projects.

7.1.3 No cost escalation shall be permitted for the project.
7.1.4 PIAs which have been sanctioned projects/currently implementing projects will be considered for further projects on satisfactory implementation of at least 50% of the sanctioned target.

7.2 In Special Projects where 25% contribution towards project cost is borne by the implementing agency, employer, industry or sources other than the Government, utilization certificate is to be furnished for the project would only be in respect of the Government grant.

7.3 In such projects, audit reports should reflect the entire Government Grant (central and state share and interest thereon) and cash contribution if any from other sources.

7.4 In the case of contribution in kind by the Implementing Agency, the Auditor will provide a separate certificate indicating the valuation of cost components borne by the IA. The Audited Accounts, however, need not reflect this as part of receipts.

7.5 The project cost breakup comprising of required parameters shall be submitted with the proposal. Cost break up given by the IA will become part of project performance requirements. It has to be certified by the Auditors of IAs as having been implemented as indicated in the proposal.

7.6 Utilization for claiming 2nd and 3rd installments will be seen with reference to the total expenditure in cash or kind. The contribution of the IA shall have to be proportionate to the central/state share as per approved estimates.
8. Cost Norms:

The cost norms for various components of the programme are as under:

</tbody>
</table>

* This will be maximum MoRD funding in each project and treated as 75% of the project cost and remaining 25% has to be contributed by the State Govt./PIA/other agencies as the case may be.
9. Release of Funds:

9.1 On approval of the projects, funds are released to coordinating, Monitoring and fund routing Agencies in 3 installments i.e. 25:50:25.

9.2 Funds towards release of central share will be disbursed to the PIA through the coordinating and fund routing agency as notified by Ministry.

9.3 1st Installment:

The first installment (i.e. 25% of the total Project cost) will be released after the approval of the project by PAC. The funds are routed through the state governments / Monitoring Agencies to the PIAs. The PIA has to enter into bipartite MoU with the fund routing agency in case of multi state projects. A sample format of MoU is attached at Annexure III.

9.4 IIrd Installment:

The 2nd installment of 50% of central share will be released subject to the compliance with the following:-

a) Utilization of 60% of the 1st installment and achievement of corresponding physical target.

b) Submission of year-wise utilization certificates for at least 60% of the total available funds.

c) Submission of year-wise audit reports of the funds utilized.

d) Regular reporting of progress in the prescribed format and against the approved expenditure phasing.

e) A certificate from the Implementing/Coordinating Agency that the project is being implemented as per the approved project proposal.

9.5 IIIrd Installment

The 3rd and final installment of 25% of central share will be released upon the following:

a) Utilization of 90% of the total available funds and achievement of corresponding physical targets.

b) Submission of year-wise utilization certificates for at least 90% of the total available funds.
c) Submission of year-wise audit reports of the funds utilized. Regular reporting of progress in the prescribed format;

d) A certificate from the Implementing/Coordinating Agency that the project is being implemented as per the approved project proposal.

e) Before release of 3rd and final installment, it will be open to MoRD to have verification/evaluation of project progress by third party / independent agency.

10. Project Period:

Ordinarily, the projects are to be implemented within three years time.

11. Utilization of Interest earned on central release (s):

11.1 The interest amount accrued on Government releases, if any, shall be adjusted against the Government share of the Project cost at the time of release of the third and final installment.

12. Releasing of Matching Share:

12.1 The State Government is required to release its corresponding matching share within a fortnight after, obtaining the respective installment of the Central share.

12.2 Where contribution from other sources are arranged in the project cost before claims 2nd/3rd installment from the Government PIA has to ensure that such contribution proportionate Government releases has been utilized.

13. Monitoring and review of the Project

Monitoring and Review of the Projects sanctioned and implemented will be done in two levels i.e. at State Level and Central Level.

13.1 State Level:

13.1.1 For monitoring and periodic review of the sanctioned project, a Committee at the State level headed by the Secretary (RD) of the State/ Concerned cell within the State Rural Livelihood Mission (SRLM) is to be constituted who shall have the responsibility of reviewing and monitoring the Project/s.
13.1.2 In addition, the concerned authorities at the State Government/SRLMs will also undertake monthly visits to the training centers of the PIAs to monitor the implementation of the programme as per pre-determined standards.

13.1.3 The State Government/SRLM will also follow up with the PIAs on their efforts to track candidates trained in their States, and placed into jobs in/outside the State.

13.2 Central Level:
13.2.1 In the Central Level, the PSC has been entrusted for periodical review and monitoring of the special projects sanctioned under the scheme. However, PSC briefs PAC about the progress of the ongoing projects as and when necessary.

14. Monitoring Format:
14.1 To keep track of the progress of the projects, the Ministry has devised a monitoring format. The PIA is required to send monthly progress reports of the ongoing project/s to the Ministry - Annexure IV.

14.2 The Monitoring Agency shall send a quarterly monitoring report on the implementation of the Project by the PIA, in the format enclosed as Annexure V.

15. Transparency Requirements:
15.1 The PIA will adhere to pro-active disclosure of key information related to the implementation of the concerned Project, as per the format prescribed by Ministry from time to time

15.2 The PIA will disclose the funds granted to it by the Ministry for the purposes of implementing the said Project, in the format prescribed by the Ministry from time to time.

16. Audit:
16.1 The Ministry of Rural Development retains the right to carry out internal audit of funds and financial of the project, if deemed necessary.

16.2 Financial audit is to be carried out by the Chartered Accountant of PIA or any other authority appointed by the State Government/Coordinating Agency.
16.3 The audit report together with action taken on the auditor's observations and physical progress under the project shall be furnished at the time of release of 2nd / 3rd installment of Central funds.

16.4 The accounts of the grantee institution will be audited by the Comptroller and Auditor General of India (C&AG) and the Internal Audit of the Principal Accounts Officer of the Ministry.

16.5 The implementation of the project will be subject to a Social Audit, in the manner prescribed by the MoRD from time to time.

17. Submission of progress reports:
17.1 The implementing agency/coordinating agency shall submit the progress report of the project by 15\textsuperscript{th} of the month succeeding every month in the format for monitoring enclosed at Annexure IV and V. Failure to furnish the progress report would make the implementing/coordinating agency liable to refund of the Central funds released for the Project along with interest.

17.2 It shall be open to the Ministry of Rural Development to prescribe such conditions, as it deems fit, from time to time to ensure proper execution of the project.

18. Project Completion:
18.1 Documentation is an inherent part of the project along with video recording giving the status of beneficiaries before and after the project. It should cover the details of deliverables as indicated in the project and achievements made against these deliverables. The completion report of the project should be made available by the PIA/ Coordinating agency to MoRD within three months from the date of project completion along with up-to-date utilization certificate and audit reports of 3\textsuperscript{rd} and final installment and funds that remained unspent at the time of release of 3\textsuperscript{rd} and final installment.

18.2 The PIA shall continue to track the trainees after placement for a minimum duration of 12 months after placements and submit to the SRLM, MoRD and the Monitoring Agency ‘Post Placement Tracking Reports’ with respect to the batch at the end of 3 months, 6 months, 9 months and at the end of 12 months after the placement.
