

Electors Verification Programme

EVP

What is EVP?

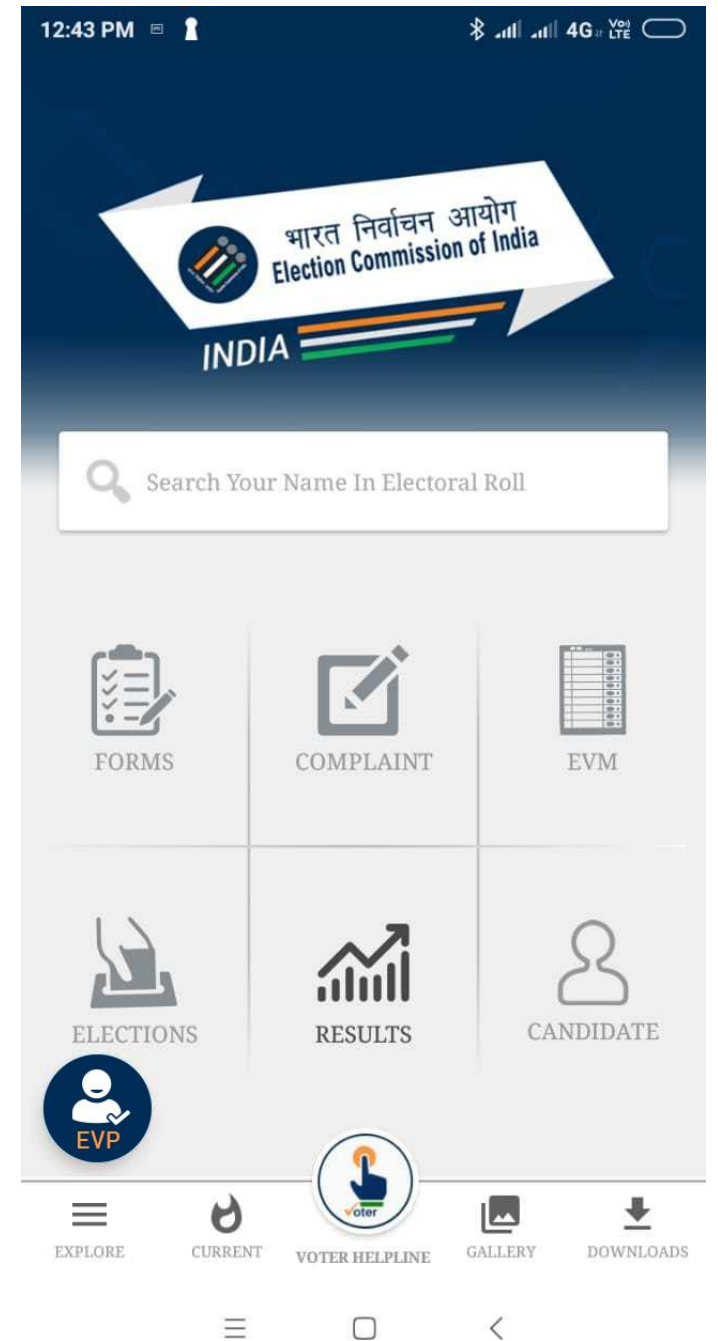

- Electors verification Programme allows elector to verify their details using Voter Help Line App
- Electors need to link their Mobile number to verify or submit request for correction in Epic details
- Allows elector to build family tree by tagging family members together
- Electors can post their feedback for Polling stations

Steps

- Linking of mobile with Epic (Registration)
- Self verification
 - Found correct (Update PWD status)
 - Not found correct (Edit details and upload document)
- Name not found (Unenrolled) – register
- Polling booth suggestions
- Family Tagging
- Prospective electors (Less than 18 years)

How it works?

- Download and Install Voter Help Line App from Google play store or Apple App Store
- Click on EVP programme
