

Employment Notification

Applications are invited from Eligible Candidates for appointment of following temporary posts on contract basis for period of one year for preparation of detailed project report on landslide Mitigation project for the identify potential landslide hot spots areas of the Nilgiris District as per the National Disaster Management authority guidelines .

SI.No	Name of the post	No. of Vacancies
1.	Geo-Technical Expert	1
2.	Geological Expert	1
3.	Watershed Management Expert	1

Job Profile:

The Nilgiris District is vulnerable to different types of landslides which cause significant destruction in terms of loss of lives, property and livelihood. The Nilgiris district witnessed a series of landslides during the years 2009, 2019 and 2020. The Geological Survey of India, Chennai Region, carried out "Post Disaster Landslide studies" and shared the list of 77 landslides with the details of control and corrective measures. So that to prepare the detailed project report on landslide mitigation for submitting before the National Disaster Management Authority (NDMA) the experts should be carried out following tasks.

- 1) Preparation of large scale (1:1000/500) contour mapping;
- 2) Geological Mapping / Plan;
- 3) Geo-physical / Geo-technical investigation;
- 4) Slope stability analysis planning and design of appropriate site specific Remedial measures;
- 5) Capacity building etc.,

The Experts will be provided with necessary support from the line departments in Investigation Surveying, Soil Testing, Borehole-drilling Geo-physical analysis etc. The above experts are working under direct control of the District Collector, Nilgiris on contract basis initially for the period of one year from the date of appointment and their tenure may be extended as per necessity.

Remuneration:

Sl.No	Name of the post	Remuneration
1.	Geo-Technical Expert	Consolidated pay Rs.75,000/- Per Month
2.	Geological Expert	
3.	Watershed Management Expert	

Qualifications Required

1.Geo - Physical Expert:

Educational Qualifications:

1. Bachelor's degree in Civil Engineering with First Class
2. Post Graduate's degree (M.Tech., M.S. M.E.) in Geotechnical Engineering / Soil Mechanics / Rock Mechanics with first class.

Desirable:

1. Ph.D.Degree in Geotechnical Engineering / Soil Mechanics / Rock Mechanics
2. Knowledge in interpretation of laboratory and field Geotechnical and Geophysical test data, preparation of Geotechnical investigation reports, Knowledge in Geotechnical software to carry out slope stability analysis and Experience in one of major Geotechnical Engineering projects preferably related to landslides.

Experience:

At-least four years of industrial/research/teaching experience after P.G.Degree. The experience gained during Ph.D is considered as four years research experience.

For Retired Govt. Servants:

Retired Government Servants in scale 13 (as per Seventh CPC) i.e, Pre-revised Grade Pay 8700 and above with at least 10 years experience in their entire period of service, as detailed in “Desirable” under Post qualification.

2.Geological Expert:**Educational Qualifications:**

Master’s degree in any discipline of Geology / Applied Geology preferably with specialization in Geological mapping for Landslide studies / Geotechnical Investigation for Slope Stability Analysis / Disaster Management with specialization on Landslide studies) from recognized university

Desirable:

Persons with M.Phill., / Ph.D./ additional qualifications, Research experience, published papers (or) post qualification experience in the relevant field would be given additional weightage.

Post Qualification Experience:

Candidates should have minimum 10 years post qualification experience in the relevant fields.

Desirable

1. Candidates having reasonable experience in detailed Geological mapping with applicant in Landslide studies will be given additional weightage.
2. Candidates having working knowledge in slope stability analysis, planning & design for site specific remedial measures.

3. Candidates having working experience in cross – functional teams

4. Candidates having experience in dealing with community related disaster risk reduction.

For Retired Govt. Servants:

Retired Government Servants in scale 13 (as per Seventh CPC) i.e, Pre-revised Grade Pay 8700 and above with at least 10 years experience in their entire period of service, as detailed in “Desirable” under Post qualification.
