**District Development
Commissioner Udhampur**

MESSAGE

Authentic data about demography, Socio-economic Statistics, livelihood related sectors and geographical features is the base of developmental plan or project formulation. An authentic and pure statistical database decides the strength of development and also course of socio-economic upliftment of society. The District Statistical Agency has brought out 25th edition of "District at a Glance" with baseline of 2018-19 which will be a guiding force for the development in district. It will be of immense help in prudent decision making as well as implementation of policies on ground. Researchers, academicians and Govt. offices will also find this publication very useful.

I compliment the District Statistics and Evaluation Officer and his entire team for commendable work. I also thank district and Sectoral officers of all the departments as well as their field staff for timely providing the required data after thorough exercise at their level. Lastly, I hope that the District Statistical Agency continues its endeavors in building strong database at District level.

**District Development Commissioner
Udhampur**

(Noor-ud-Din)
Deputy Director

District Statistics & Evaluation Officer

PREFACE

The District Statistical Agencies have been charged with the responsibility of collecting the data in the shape of various District level Publications annually. "District at a Glance" is one of the important publications which are published at the end of the each financial year. This document presents valuable Statistical Profile of different Sectors of Economy. District Statistical Agency Udhampur is bringing out 25th volume of its Publication, "District at a Glance" for the year 2018-19. It is hoped that this Publication will prove useful to the various users particularly research scholars and the Government Departments.

Any suggestions for further improvement of the Publication shall be duly acknowledged.

(Noor-ud-Din)
Deputy Director

District Statistics & Evaluation Officer
