**EXPRESSION OF INTEREST FOR POULTRY UNIT (BACKYARD
POULTRY) UNDER NATIONAL RURBAN MISSION
FOR
DHARAMBAHAL RURBAN CLUSTER IN GHATSHILA BLOCK OF
EAST SINGHBHUM DISTRICT**

The Union Cabinet has approved the Shyama Prasad Mukherji Rurban Mission (SPMRM), in September 2015, aimed at strengthening rural areas by provisioning of economic, social and physical infrastructure facilities. Taking also into view, the advantages of clusters, both from an economic view point as well as to optimize benefits of infrastructure provision, the Mission aims at development of 300 Rurban clusters across the country, in the next 5 years.

The vision statement of SPMRM is "Development of a cluster of villages that preserve and nurture the essence of rural community life with focus on equity and inclusiveness without compromising with the facilities perceived to be essentially urban in nature, thus creating a cluster of "Rurban villages".

Dharambahal Tribal cluster is located in Ghatshila block of East Singhbhum district. The cluster is spread over two Gram Panchayats - Dharambahal and Kashida, which have fourteen villages. In the proposed cluster project on Poultry Unit (Backyard Poultry) is to be implemented to improve the tangible and intangible benefits from the activity.

Poultry Unit (Backyard Poultry) is one of 32 projects selected under the said mission for improvement in income and quality of life for the people inhabiting the project area. In this connection only district administration wants to involve an agency having experience in livelihood promotion through livestock management and with professionals having experience of promoting Poultry based livelihood systems with a value chain approach for a period of 1 year.

The consultant organization is expected to deliver following results-

- Prepare Action and Implementation Plan for the approved DPR.
- To development of knowledge and skills of community people regarding modern backyard poultry rearing technology.
- Capacity building of the rearers for breed, feed, disease and housing management for desi poultry production
- Establish backward and forward linkages for the producers
- Creating an institution for post project sustainability of intervention in an economic frame work
- To decrease migration rate and increase self-employment through Desi Poultry farming.

- To increase the poultry breed diversity in this region.
- To ensure availability of the egg & meat in the local market.
- To establish an institution of Poultry User Group in FPO Model

ELIGIBILITY FOR APPLYING

In the wake of the proposed objectives of the mission, the applicant organization must have experienced experts in Natural resource management, Desi Poultry farming, Bird rearing, disease, feed management, and capacity building experts in proposed sector. Further the organization should be-

- A legal entity with 5 years standing and registered in Jharkhand
- Have got audit report for the last three years .
- Have filed income tax return for the last three years with no taxes due .
- Should have PAN number and ADHAR and PAN number for the chief functionary .
- Organization having local presence will have additional weightage especially which is working in the block/project area with its operational office
- Have experience in resource support to main line departments for implementation of livestock promotion project at district and state level
- Experience of the team members will be counted as experience of the organization
- Organization having professionals with experience in training and placement of vaccine providers and Poultry enterprise in economic frame work will be given top priority
- Should not be blacklisted in last three years .-

TECHNICAL BID:

Technical bid should essentially mention-
