

WHAT IS A HOTSPOT

Areas in districts where six or more people have been tested positive of the Coronavirus.

The area is earmarked based on probability of high degree of spread and people's response to the call for home stay.

WHAT YOU CANNOT DO IN A HOTSPOT

No movement of people in and out of the area

Cannot visit stores for grocery or even medicine

Media is not allowed

WHAT CAN BE DONE

Rigorous door-to-door monitoring

Grocery and other essentials ordered to homes

Ambulances with special permission in case of medical emergency

Sanitisation of the area
