Dtd. 14/07/2020

To

The OSD -cum- Joint Commissioner, Relief  
Revenue & D.M. Deptt. (Disaster Management)  
Odisha, Bhubaneswar

Sub: Some suggestions to be incorporated in DAMPS Odisha Web Portal and Mobile Application-Regarding.

Sir,

In inviting a reference to the subject cited above, I am to say that the ex-gratia cases on death due to different disasters / natural calamities are being processed online through DAMPS Odisha Web Portal & Mobile Application by this District since inception of the Web portal i.e.10.06.2020. In view of large geographical area, the Administrative set up of this District is consisting of 03 Sub-Divisions having 23 Tahasil offices and 211 Revenue Circle Offices, for effective monitoring of the matter the Dashboard facility available in the DAMPS Odisha web portal requires some modifications as described below.

- 1) Tahasil wise, R.I. wise and natural calamity wise status of ex-gratia cases.
- 2) Disaster / Natural calamity wise status of ex-gratia cases.
- 3) Year wise status of ex-gratia cases.
- 4) Tahasil wise Backlog data entry of ex-gratia cases.
- 5) Provision of entering all NoKs of the deceased as in drop down box more than one Son / Daughter is not uploading.
- 6) Provision for making of entry more than one NoK to release Ex-gratia money as per the apportionment made among NoKs, where there is dispute to receive by one NoK.
- 7) In case of death of people of other State and death occurred in Odisha, provision should be made for entry in the DAMPS Odisha Web Portal.

Therefore, I am to request you kindly to entertain the above suggestions for this District and facilitate on the Dashboard of DAMPS Odisha Web portal and Mobile Application for smooth tracking of status of ex-gratia cases.

This is for your kind information and necessary action.

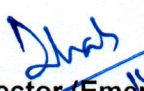

Yours faithfully,

  
Dy. Collector (Emergency)  
Collectorate, Ganjam

Memo No. 4983 /Emg
