

District Emergency Operation Centre(DEOC):

- ❖ The District Collector would be assisted to perform the roles assigned to him and the DDMA by the District Emergency Operation Centre (Control Room). The DEOC would perform the following functions:-
- ❖ District control room would be the nerve centre for the disaster management.
- ❖ To monitor, coordinate and implement the actions for disaster management.
- ❖ Activate the ESF in the event of a disaster and coordinate the actions of various departments/agencies.
- ❖ Ensure that all warning, communication systems and instruments are in working conditions
- ❖ Receive information on a routine basis from the district departments on the vulnerability of the various places and villages (parts of the districts)
- ❖ Receive reports on the preparedness of the district level departments and the resources at their disposal to arrange and meet their requirements
- ❖ Upgrade the Disaster Management Action according to the changing scenario.
- ❖ Maintain a web-based inventory of all resources through the India Disaster Resource Network (IDRN).
- ❖ Provide information to the Relief Commissioner Office of the disaster/emergencies/accidents taking place in the district regularly and maintain a database of disasters and losses caused by them.
- ❖ Monitor preparedness measures and training activities.
- ❖ Providing information at district level, local level and disaster prone areas through appropriate media.
- ❖ Brief the media of the situations and prepare day to day reports during the disasters.
- ❖ To report the actual scenario and the action taken by the District Administration.
- ❖ Maintain a database of trained personnel and volunteers who could be contacted at any time
- ❖ Liaise with on-site operation centre, State EOC and other emergency services.
