**TERMS AND CONDITIONS FOR THE REPAIR/ MAINTENANCE OF  
TRANSFORMERS UNDER LAKSHADWEEP ELECTRICITY**

1. All the covers containing Tenders shall be sealed and clearly super scribed **“Tender for Repair/ maintenance of Transformers under Lakshadweep Electricity”** and addressed to **The Assistant Engineer ( ELE – Sub Division, Union Territory of Lakshadweep, Indira Gandhi Road, Wellington Island, Kochi – 682003)** shall be posted well in advance so as to reach with in the date prescribed. Tenders received after the said date and hour will be rejected forthwith.
2. The details of Transformers required to be repaired are given in “Tender Schedule” which contains all type of Transformers available with the department. Separate work order will be issued for repair at approved rates as and when required during the period of contract.
3. The tender may indicate specificall the maximum time required for rewinding/repairing of each type of Transformers in the list and should strictly adhered to. Normally it must be 40 to 60 days.
4. The rate quoted by the renderer shall be valid for a perod of two years from the date of finalization of the tender. While quoting the tender, tenders have to foresee the percentage of hike in prices.
5. The Executive Engineer Electrical, Union Territory of Lakshadweep, Kavaratti does not bind himself to accept the lowest or any tender and reserves himself the right of accepting the whole or any part of the tender and the tenderer shall be bond to the accepted items at rate quoted by them.
6. On taxable items of supply, sale tax shall be shown separately and taxes will be paid at the ruling rate applicable to Central Government indenters. The relevant certificate will be issued at the time of payment.
7. The rate quoted by the tenderers shall be inclusive of cost of materials ,cleaing materials etc...required for the works and labour charges. The cost of salvage may taken in to consideration while quoting the rate. The contractor can take the salvage and other replaced/damaged parts if any.
8. Earnest money deposit of Rs. 10,000/- (rupees Ten Thousand)only is to be deposited along with the offers by demand draft drawn in favour of undersigned encashable at Syndicate Bank, Wellington island, Kochi-3. The offers made with out EMD are likely to be rejected. EMD in any other form than that specified above will not be accepted. Insufficient EMD will also be rejected.
10. The Bidder whose rates are accepted will have to deposit Rs. 15,000/- (Rupees fifteen Thousand)only in addition to the EMD of Rs. 10000/-. This amount shall keep as security deposit till satisfactory completion of contract.

11. In case the tenderer fail to effect the works due to any reason, work order is likely to be cancelled. The work order so cancelled will be arranged by the department and the EMD and SD collected from the tenderer will be forfeited
12. The work should be guaranteed for a minimum period of Six months against any bad workmanship and other defect. If any defect occurs during the guarantee period, such defect shall be rectified by the tender on free cost at respective Islands..
14. The EMD of the tenderer except L1 & L2 of each item will be refunded immediately after opening of the tenders.
15. The insulation materials used for rewinding works shall be class F & H as shown in the tender schedule..
16. The tenderer shall sign the tender at the place provided in the tender form including the terms and conditions affixing their office seal and date, otherwise the tender liable to be rejected.
17. Usually the Transformers requires rewinding and the tender shall complete the works within the date stipulated in the order. The tenderer at out station from Kochi area should arrange the transportation of Transformers/Transformer accessories from our Kochi Office to their workshop vice versa.
18. In some cases the rewinding/repairing of transformer are required to be carried out at Lakshadweep, In those the tenderer shall undertake the work at the islands by deputing sufficient skilled personals to the island concerned with all the necessary materials/tools etc.. required for the works. In such cases, the tenderer may be in touch with the Assistant Engineer (Ele), Kochi for ascertaining the ship program, arranging entry permit, passage etc.. to the islands. The tenderer may quote the minimum additional daily charges per technician for such works in islands. In addition to this the department shall reimburse the actual to and fro conveyance charges. However the accommodation and expense will be at contract risk and cost.
19. The rates once approved will be final and valid for a period of 2 years from the date of issue of work order. The request for enhancement of rates will not be entertained, under any circumstance.
20. The Executive Engineer (Ele) Ut. of Lakshadweep reserves the power to extend the period of contract by another six months at the existing rates, if feels necessary and the contractor is bound to accept the same.
