F.No:67/7/2018-Ele

Date : 01-09-2018

CIRCULAR

The Lakshadweep Electricity Department is decided to switch over to new mode of meter reading with effect from September 2018. The consumers will be intimated the monthly bill prepared by the department based on the actual reading collected by the department Meter Readers. The consumers are requested to facilitate and render necessary assistance to the department to take the meter reading. The bill of respective month shall be issued in the succeeding month like the electricity monthly bill for September will be issued to consumers on October accordingly each and every consumers have to pay their bill on or before the 25th day of the succeeding month either by online, mobile app, PFMS or through department cash counters. Consumers are advised to ensure that correct reading has been taken by the departments meter readers so as to avoid possibility of generating incorrect bill due to the erroneous meter reading. Consumers are directed to ensure their energy meters are installed in conspicuous and identifiable place in order to ensure taking of meter reading hassle free.
