LAKSHADWEEP ADMINISTRATION
DEPARTMENT OF PORT SHIPPING AND AVIATION

To,
All Heads of Department UTLA

Subject: Blocking of ship tickets for official purpose – routing of departmental files through PSA

Sir,

Blocking of ship tickets for various official purposes has increased and it is observed that various departments obtain approval for their programs/ movement without consulting this department. PSA is then issued request for blocking at the last moment, by which time tickets have already been released to public; after which departments request 'additional schedule' citing administrative approval and expenditure already incurred for their programs.

This has leads to various problems not limited to movement of general passengers.

All the Head of Departments, therefore, are requested to route their files relating to ticket blockings through this office, well in advance, before taking approval of the Hon'ble Administrator; so that PSA can mention the blockings already in place/ constraints so that appropriate call may be taken.

Yours faithfully,

Ankur Prakash Meshram DANICS
Director Port Shipping and Aviation
