**APPEAL**

The Government of India Ministry of Statistics and Programme Implementation is conducting the 7th Economic Census throughout the country. Economic Census gives the total count of entrepreneurial units located within the geographic boundaries of the country, involved in any economic activities. The Economic Census provides valuable insights into geographical spread, clusters, ownership pattern, and persons engaged, etc. of the establishments engaged in entrepreneurial activities. The CSC e-Governance Services India Limited (an SPV under Ministry of Electronics and Information Technology) has been engaged as the implementing agency for 7th Economic Census.

In UT of Lakshadweep, the 7th Economic Census is being carried out along with other parts of the country. The enumerators and supervisors engaged by CSC have been trained to collect data on mobile application through door to door visit to each establishment. All citizens, households, entrepreneurial units and other stakeholders are requested to provide complete and correct information about their economic activity. It is assured that the information provided for 7th Economic Census will be kept completely confidential.

Therefore, I appeal to all citizens, households, entrepreneurial units and other stakeholders of UT of Lakshadweep to extend full cooperation and support for the smooth conduct of 7th Economic Census 2019 in Lakshadweep and provide correct and complete information to the enumerators visiting your premises.
