## 1. **INTRODUCTION**

Women and Child Development Department is responsible to develop the Children's in the age group 0-6 years because these Children's are the future human resource of the country. Ministry of Women and Child Development is implementing various schemes for welfare, development and protection of children.

WCD Launched on 2nd October, 1975, the Integrated Child Development Services (ICDS) Scheme is one of the flagship programmes of the Government of India and represents one of the world's largest and unique programmes for early childhood care and development. It is the foremost symbol of country's commitment to its children and nursing mothers, as a response to the challenge of providing pre-school non-formal education on one hand and breaking the vicious cycle of malnutrition, morbidity, reduced learning capacity and mortality on the other. The beneficiaries under the Scheme are children in the age group of 0-6 years, pregnant women and lactating mothers.

One of the major demand of the villagers in Block Antagarh Durgukodal & Koilibeda of District North Bastar Kanker for Anganwadi Bhawans for the foundation of proper psychological, physical and social development of the children's of hilly, remote and LWE affected area. A better facility, District Project Office, Women & Child Development North bastar Kanker, has decided by permission of Collector, Kanker to Construct 16 Nos. Prefabricated Anganwadi Bhawans by using Puf Panels in block Antagarh Durgukodal & Koilibeda of District North Bastar Kanker. Hence District Project Office, Women & Child Development has given proposal under District Mineral Funds (DMF) for installation of Prefabricated Anganwadi Bhawans by using Puf Panels at 16 various locations in block Antagarh Durgukodal & Koilibeda of District North Bastar Kanker. **(ANNEXURE-II)**.

Our proposal has been sanctioned and now we intend to start the work as soon as possible and complete it before the start of new academic session. In order to meet the requirement, District Programme Office,, Women & Child Development, District Kanker has decided to invite short term sealed bids, under two bid systems, from competent bidders having experience of at-least two years in the similar type of Projects.

## 2. **Objectives are:**

- to improve the nutritional and health status of children in the age-group 0-6 years;
- to lay the foundation for proper psychological, physical and social development of the child;
- to reduce the incidence of mortality, morbidity, malnutrition and school dropout;
- to achieve effective co-ordination of policy and implementation amongst the various departments to promote child development; and
- to enhance the capability of the mother to look after the normal health and nutritional needs of the child through proper nutrition and health education.
