COVID-19 Dashboard
Osmanabad District
(https://osmanabad.gov.in/covid-19/)

Designed & developed by District Informatics Center, NIC, Osmanabad
1. Introduction

The rapid spread of COVID-19 virus across the globe is affecting millions of people and is at the same time resulting in the spread of information, misinformation (false information spread without malicious intent) and disinformation (false information spread with the intent to deceive). The intention of the district administration of not to create additional information but to bring together credible COVID-19 related information that would be easy to access, understandable for the common citizens and act upon, locally it was essential to develop district level dashboard of the Covid-19 related most important information.

Accordingly, as per the need and subsequent directives of the Hon. Collector and DM, Osmanabad, NIC Osmanabad has taken initiative for fulfilling this requirement by means of the available channel of district web site. As a result of which NIC has designed proper web pages pertaining all such essential information and the same tried to reflect in the form of the graphical ways along with the actual figures in terms of the COVID-19 Dashboard and made available online through district website vide the link https://osmanabad.gov.in/covid-19/, on the basis of receipt of daily information from Civil Hospital/Health Department, Osmanabad.

Basically Covid-19 Dashboard reflects Covid-19 related information pertaining:

- Total Swaps taken
- Total Corona Positive
- Total Active
- Total Deaths
- Total Discharged

Dashboard also shows the total beds facilitation in DCH, DCHC and CCC along with it represents the taluka wise and disease wise analytical representation of the Co-Morbid Survey Activity. In addition to this Dashboard also shows.

- Map of DCH/DCHC/CCC in District with all Details
- No of Beds Available in the DCH/DCHC/CCC
- Help Line Contacts Number/Control Room Numbers
- Covid-19 Important Orders
- Public Forms
- Important Links
- Photo and Video gallery

The last updated date as per the receipt of the information has also shown on the dashboard while updating the same.
2. COVID Cases Statistics in District
