The learned advocate of applicant submitted that land mentioned in schedule is purchased land of applicant. His vendor is pratik Prakash S/O Late Ramashray Singh of village-Bakhtari, Who registered him through deed No-2742 dated 21.06.2016. Learned advocate said that applicant is gentleman where as opposite party is aggressive in nature & is strong in money & muscle power. He alleged that opposite party is threatening applicant that if he tried to cultivate the

said land then his family members may be massacred with help of militant organizations. So learned advocate pleaded for proper enquiry and accordingly to get possession of disputed land.

The opposite party, namely Govardhan Singh was sent notices through staff as well by speed post but he didn't turn in this court.

So applicant was heard & available record i.e. kewala was perused. However, after looking the documents, it seems that disputed land has not been mutated as no rent receipt is available in record. Further, it is not clear whether applicant's vendor had right to sale the said land. Finally, applicant wants possession over the disputed land by proper enquiry to be done by this court. So overall, after looking the situation, applicant is being directed to approach circle officer karpi and the circle officer is directed to look into grievances of applicant by perusing documents & spot enquiry of purchased land. The circle officer is further directed to pass order as per rule in relation to disputed land, So that remedy can be found as per law.
