

Pilot launching of web-based “BRISC-MIS”- cum -District Level Workshop

Held at Collectorate Sehore MP on 8th February 2010

In 1995, Government of Madhya Pradesh has approved Bank Recovery Incentive Scheme for the participating banks on “sharing of recovery on cost basis” with a view to achieve the objectives laid down under **Lok Dhan Abhinyam 1987** for recovery of bank dues of the loans disbursed under various schemes from beneficiaries. On the request of Directorate of Institutional Finance (DIF), Govt. of MP, NIC MPSC conceptualized, designed and developed “BRISC-MIS” - a web-based application in consultation with state BRISC Cell Bhopal under the guidance of Sh. R. V. Rao, T.D. The product is an effective, efficient and transparent system for monitoring BRISC scheme and facilitates the user department in efficient maintenance of Revenue Recovery Certificates (RRCs). The user department has opted for pilot implementation of the product at Sehore and Morena Districts of Madhya Pradesh to start with. Subsequently DIF in association with NIC MPSC organised a workshop on “Web Based BRISC MIS” including Pilot-launching at District Collectorate Meeting Hall, Sehore on 8th February 2010.

Shri Sandeep Yadav, Collector and District Magistrate, Sehore chaired the workshop. In his inaugural address, the district Collector welcomed the gathering and emphasized an urgent need of this application to monitor the scheme. He also suggested Banks to update monthly recovery details RRC wise on the web site as per their records, so that RRC issuing authority / Revenue Administration will be knowing the actual status of recovery details. He evinced keen interest in the product and examined the software.
