

Training programme on “Introduction to e-Panchayat MMP” and PRIPROFILER Application

(Organised by NIC DIC Sehore on 4th May 2011)

In close alliance with Zila Panchayat Sehore, National Informatics Centre Sehore organized a training program on PRIPROFILER application and “Introduction of e-Panchayat Mission Mode Project” at Zila Panchayat Meeting Hall on 4th May 2011. The objectives of the training program were to spread awareness on “e-Panchayat Mission Mode Project” and implementation of PRIPROFILER application. About 20 participants from Zila Panchayat and all Janpad Panchayats attended the training program.

Shri Ashok Sharma, Project officer, Zila Panchayat welcomed the participants. Shri B.L. Jamod, CEO Zila Panchayat Sehore delivered the inaugural address. He appreciated the initiative taken by NIC Sehore for implementation of project. He also instructed all CEO's of Janpad Panchayat to speedily capture the data for data entry in PRIPROFILER application.

DIO Sehore, Sh. Sanjay Joshi explained the objective of “e-Panchayat Mission Mode Project” and data entry options of the PRIPROFILER application. The application was demonstrated through a power point presentation. The data input formats were explained to the participants and hard copy of input formats was also provided to all CEO's of Janpad Panchayats to capture Village Panchayat and immediate Block Panchayat level data.

The training program ended with concluding remarks and thanks by Shri Vinod Yadav, Chief Executive officer, Janpad Panchayat Sehore.
