

SVEEP Plan at District Level

District : Tirunelveli

Sl.No	Area Of Focus	SVEEP activities planned at District Level
1	A. Electoral Roll Management related	
	i] Registration of New Voters	As per projected population, the age group of 18-19 is 108894 out of which 51064 have been registered as electors which is around 46 % so there are more 50% of possible new voters to be enrolled.
	ii) Improving Gender ratio	69 Polling Booths of women casting their votes from 0% to 50% have been identified. Necessary instruction may be given to EROs and AEROs for improving turnout.
	iii)Removal of multiple entries; deletion of deceased/shifted names; correction of entries	a) 2473 Demographically Similar Entries have been verified in field and found as duplicated and action have been taken for removing the entries. b) After the last Final Roll publication, 20911 Form 7 have been received and processed for the deceased/shifted electors
	iv) 100% coverage of PwD and their mapping with the Polling Station.	14790 PwDs persons have already been marked in the electoral roll. Based on the list from DADWO, further more PwDs will be marked.
	v) Increase in enrolment of Service Personnel.	4184 number of service personnel have already been included in the last part of electoral roll. Service personnel can register their name through the web portal name: servicevoter.nic.in
vi) Increase in enrolment of overseas Indian electors	In such persons may be included their name through the NVSP portal. Further the overseas Indian electors may prepare the petition in form 6A to	

		the EROs directly with sufficient encloses.
	vii) Identification and mapping of prospective voters i.e those eligible on 01.01.2021.	In this connection press release may be issued by DEO. Further EROs and AEROs may be directed to obtain form from the eligible person with sufficient enclosure in their office or in special camp.
B.	Informed, Ethical and Enhanced Participation	
	i) To target an increase in voter turnout in the identified low turnout polling stations and an overall increase in turnout by at least 5-10% over the last Lok Sabha election.	147 polling stations having lowest turnout from 36.71% to 44.43% have been identified. Necessary instruction may be given to all ROs, EROs, and AEROs to increase the turnout.
	ii) To remove the gender gap in turnout	79 Polling Booths of women casting their votes from 0% to 50% have been identified. Necessary instruction may be given to EROs and AEROs for improving turnout.
	iii) To target an increase in turnout among PwD electors by making elections accessible and widely disseminating the facilitation extended.	List of polling stations with more PwD voters have been prepared and one wheel chair and one volunteer per PS been arranged to assist the PwD voters in the last Lok Sabha election and more facilitation may be arranged for them to encourage to their turnout
	iv) Special focus on marginalized groups like domestic migrants and other groups identified by the State/District.	In Tirunelveli District, groups of Gypsy (Nari kuravas) hamlets and groups of Third Genders places have been identified and special awareness program have been planned to encourage their electoral participation
	v) Visible enhancement in the quality of electoral participation in terms of informed, ethical and inducement free voting	Quality of the contents and the awareness programs objectives have continuously upgraded year by year to improve the knowledge of the electors
	vi) Increase in postal ballot voting by facilitating and educating service voters and employees	All ROs may be requested to provide postal ballot to the employee through

		who are appointed in polling duty. Further the ROs may be requested to send postal ballot to the service voters through who are relevant regiment.
	vii) Awareness on NOTA	In GELS2019, 24765 votes have been polled in NOTA in 37-Tenkasi and 38-Tirunelveli parliamentary constituencies.
C.	EVM - VVPAT related	
	i) Awareness of EVM/VVPAT among all voters with special measures targeting youth, women and PwDs voters	Last year, 95 sets of EVM/VVPAT were utilized in 68 vehicles with 340 staffs in 1382 locations.
	ii) Awareness in remote villages, slums, marginalized segments and difficult areas.	
	iii) Awareness among Political Parties, Media, Civil Society and Educational Institutions	EVM and VVPAT demo may be organized in all location through AEROs and EROs. All EROs may be directed to make popularized. Further demo may be organized by the DEO during the political party

2	Situation Analysis	
	a. Identification of gap in registration among the newly eligible voters of 18-19 years, PS wise; Identification of PS with lowest enrolment in 18-19 years age-group.	As per details in the Continuous Updation 2020, the new voters registration is comparatively higher in Urban ACs like 224-Tirunelveli, 226-Palayamkottai and 227-Nanguneri so the SVEEP activities have been planned to have more focus on rural newly eligible voters.
	b. Identification of gaps in the enrolment of PwDs, PS wise.	All AEROs, EROs and DDAWO may be instructed to enroll the PwDs persons.
	c. Identification of excluded groups, like NRI Voters, Service Voters, migrants, tribes marginalized and doubly marginalized communities.	All AERO and ERO may be requested to identify such group the BLOs concerns may be directed through AEROs and EROs for the important of enrolment of voters.

	d. Identification of 10% of Polling Stations in each district with lowest turnout in last Lok Sabha Election and reasons thereof.	76 polling stations having lowest turnout from 36.71% to 50.43% have been identified. 61 out of 76 polling stations are in Urban ACs. Hence the events emphasis on Voting have been majorly planned in these areas.
	e. Identification of overall 10% lowest turnout Polling Stations in the State and reasons thereof.	No polling stations in the district with lowest in the state
	f. Identification of lowest turnout Assembly Constituencies and reason thereof.	-
	g. Identification of reasons for drop in turnout (if any) between last Assembly election and last LS election in the State.	The votes turnout in GELS 2019 was 68.17 and the same in 2014 was 68.84, a slight drop in the turnout is observed
3	Strategy	
	a. The State, District and AC SVEEP plan shall include situation analysis, outputs/activities, monitoring and evaluation mechanism as per the template given. Reference may also be taken from the activity chart mentioned in the SVEEPIII Project document while creation of the comprehensive SVEEP plans.	Instructions noted.
	b. Targeted campaign on major gaps like first time voter, women, urban, weaker sections, PwDs, Overseas voters, Service voters, besides domestic migrants etc. shall be a part of the plan. To overcome the gap in turnout, targeted interventions have to be carried out at polling station level.	The ERO, AERO may be requested educationalist the BLOs to give wide publicity about the important of casting vote to such person.
	c. DEOs shall innovate at their level and prepare specific operational plan after Identifying excluded communities/groups in each polling station. The AC SVEEP Plan shall be drawn up based on grass root level requirements and contribute to the District Plan. The District plans shall flow out of the broad State plan, and also contribute to it.	The polling booth having lowest turnout in the last GELS-2019 large number of PwDs and lowest turnout of women voters have been identified. Special awareness campaign may be organized in the location to improve the polling turnout and casting votes.
	d. Intensive and extensive campaign shall be carried out for emphasizing the Robustness and integrity of EVM and for VVPAT awareness and familiarization.	
	e. Appropriate information dissemination on NOTA and emphasis on informed and inducement free voting shall be part of the strategy.	All EROs may be directed to make popularized.
	f. Facilitation of the Voter will be a key component besides the range of Informed and Motivation measures.	Necessary action may be taken AMF and BMF will be provided at all polling station by the EROs.
