Application for renewal of regular permit submitted on 28/03/2014. Hence RTA Idukki rejected this renewal of permit application.

And also a letter sent to the permit holder with direction to produce a suitable vehicle in compliance to Rule 174 of KMV Rules 1989, within a period of 4 months from 14/07/2015, or subject to the decision in the pending cases regarding the higher class services. He also produced variation application for class of service as LSOS from Fast Passenger Service and renewal application for the period from 15/07/2019 to 14/07/2024. The secretary RTA Idukki considered the application and directed to place before the next RTA meeting.
