

Market checking conducted at Baramulla

Baramulla, 23 May: Additional Deputy Commissioner Baramulla Farooq Ahmad Baba accompanied by officers from Revenue ,Food supply, Metrology department, Food Safety, Police, Municipal Council and various others today conducts market checking at various locations of Baramulla. The checking was aimed at ensuring the quality and price control and to keep vigil on erring traders.

During inspection, the checking team realized fine of Rs 11700 on various shopkeepers for violating the legal regulations. They also destroyed 65 Kg contaminated vegetables and spices.

Meanwhile, an anti encroachment drive was also launched during which several footpaths were cleared and were shifted to other places for ensuring hassle free movement of commuters. The team also seized a sizeable amount of polythene from some shopkeepers besides inspecting other necessary commodities.

Speaking on the occasion, the ADC said that such drives will be conducted on routine basis so that quality of commodities is ensured. He also urged traders not to violate the rules besides displaying the rate lists at their respective trade centers. Moreover the ADC also warned the vendors not to encroach the footpaths failing which shall render action against the violators.
