May find enclosed the sector wise prioritized demands compiled from Back to Village filled in formats spread across all 151 Panchayats of Bandipore District. The demands are of genuine nature and can easily be classified into two broad categories viz Demands which can be met out of existing schemes of District Sector, State Sector & more importantly centrally sponsored schemes and Demands which needs to be projected to respective HODs/ Administrative Secretaries for early redressal through proper follow up.

It is enjoined upon all officers to examine the demands and divide the demands as per mentioned categories. **Moreover, action be initiated to fulfill as many demands as possible by converging resources available under District/ State Sector/ Centrally sponsored schemes. An additional option can also be availed by taking labour cost from MGNREGA (wherever possible).**

Lot of hard work has been put in consolidating demands spread over 47 Sectors/ Depts; as such the efforts have to be taken to its logical conclusion by exploring different means to redress the demands and issues.
