

DEPUTY COMMISSIONER OFFICE, JAMMU.

Disaster Management Plan regarding River Tawi
Directions for preparedness

By Additional Deputy Commissioner (LO) Jammu

2017

***DISASTER MANAGEMENT PLAN REGARDING
RIVER TAWI THE FOLLOWING DIRECTIONS
WERE ISSUED TO ALL THE SECTORAL
OFFICERS***

❖ Contingency Plan:

All the Tehsildars and Naib Tehsildars of Tehsils Dhansal, Nagrota, Jammu & Mandal were directed to make plan for evacuation by identifying suitable locations/buildings where people can be shifted, providing of essential commodities like eatables, tents, torches etc. Panchyat members and VDC members shall also needed to be consulted in order to seek their help. There is need to work out a plan in which role of Police and Civil departments should be clarified.

Action: All Tehsildars and Naib Tehsildars of District Jammu.

❖ **Constitution of flood monitoring cells:**

Flood Monitoring Cell will be constituted by Tehsildars Dansal/Nagrota/Jammu/Mandal at Tehsil levels. Order copies of the teams so constituted will be provided to all concerned officers along with important contact numbers. XEN Flood Control is also required to make arrangement of rescue ropes, PA systems, torches etc that will be used during rainy season.

**Action: Tehsildars Dansal/Nagrota/Jammu/Mandal/
XEN Flood Control Jammu.**

❖ **Arrangement of transportation for shifting people:**

Tehsildars Dansal / Nagrota / Jammu / Mandal and BDOs Dansal / Nagrota / Jammu / Mandal will keep with themselves the lists of owners/drivers of trolleys/matadors with their contact numbers and also list of village Numberdars / Chowkidars whose services can be utilized for shifting of peoples to safer places. Tehsildars will furnish lists of Village Numberdars and Chowkidars

alongwith their contact numbers to this office at the earliest.

**Action: Tehsildars Dansal / Nagrota / Jammu / Mandal
and BDOs Dansal / Nagrota / Jammu / Mandal.**

❖ Constitution of Village Level Committees:

Village Level Committees will be constituted by BDOs Dansal / Nagrota / Jammu / Mandal and the copies of same will be furnished to this office at the earliest. They are further directed to make detailed lists of total number of cattle of each nomad family (Gujjar Bakarwal residing at the banks of River Tawi) has.

❖ Arrangement of Wireless Systems and Hooters:

SP North/SP Rural/SP South will provide wireless systems in the flood prone areas of their respective jurisdiction in order to communicate with the concerned about any danger in consultation with SDRF Jammu. They are further directed to install hooters at various places to create awareness among the public about the flood.

Action: SP North/SP Rural/SP South

❖ Speedy Communication:

All arrangements like landline phones/Fax machines/Internet will be made well in advance by all officers concerned for speedy transmission of information related to flash flood. All concerned Exchange Officers are also required to provide all assistance in this connection well in time. All officers shall contact/inform PCR Jammu & EOC DC Office Jammu immediately about surge in water levels beyond danger mark.

Action: General Manager BSNL

❖ Timely restorations of services:

Sectoral Officers of Health, Electric, PWD(R&B), PHE,PMGSY etc. departments will remain ready for speedy and timely restoration of services. Reports regarding damages and restorations of services should reach this office well in time.

Action: All Above

❖ **Arrangement of essential medicines:**

CMO Jammu is required to ensure arrangement of all essential medicines that are required during rainy season and also a mobile van should be kept ready for health checkup of people of flood affected villages.

❖ **Help from Civil Defence & SDRF:**

Role of Civil Defence & SDRF is very crucial in flood affected areas such as providing of vehicle for evacuation, arrangements of boats and manpower to rescue people, providing food to affected people. One official from flood control department has to assist the Civil Defence & SDRF team so as to make proper assessment of water levels and to identify the spots where immediate help would be required.

❖ **Treatment of Cattle:**

Chief Animal Husbandry Officer Jammu is directed to constitute teams of doctors for check up of cattle in flood affected areas. Lists of centres and staff to be furnished in this office well in time.
