Draft Guidelines for establishing Play and Recreation centre (PARC) as community out-reach programme under the Child Protection Services:

(1) MODE OF OPERATION:

- 1.1 Play/recreation area can be *within/co-located* with existing CCI's/Open Shelter- Since the children who are vulnerable but are not living in the CCI's and reside in the neighboring areas may also have access to recreational facilities. The selected institutions will be responsible for the safety and security of the children in all aspects while within their premises.
- 1.2 The CCI's may themselves manage these Centres or they may be run in collaboration with other civil society organisation based on pre-defined parameters.
- 1.3 The play/ recreation area may be established in the registered fit facility area other than CCI's.
The Play and recreation centres may be established in one of the above modes or attached to a Fit Institution recognized by CWCs with the approval of District Collector.
- 1.4 Overall supervision of the CCI/Open Shelter/Fit Institution shall be maintained as prescribed under the JJ Act and Rules.

(2) **Management:**

If the Centre is being run by the CCI/Open Shelter/Fit Institution in collaboration with another Civil Society Organisation, such organization should have experience of working in the field of Child Rights, Child Protection and Child Welfare for atleast 3 years. Following points may also be considered while selecting the NGO:

- (a) The NGO should be registered with the web portal of NITI Aayog.
- (b) The NGO should be on-board of PFMS or should be willing to be on board within a month of getting approval for establishing play and recreation centre.
- (c) There should not be any criminal proceedings against the NGO pending in Court anywhere in the country.
- (d) The Organization should be financially sound and should not be dependent on grants being given for the centre.
- (e) The suitability of the NGO may be verified and approved by District Collector in the district.

(3) **Facilities:**

The centre shall promote indoor and outdoor games as per the need of the children. The suggested list of indoor games can be as per **Appendix-I** and the suggested list of outdoor games can be as per **Appendix-II**. The premises of the centre could also be used for other extracurricular/therapeutic activities such as yoga, singing, dancing, theatre, quiz etc. as per the interests and needs of the children.
