**CLAIM FOR ADVISE AND OBJECTION**

Tamenglong, the 24<sup>th</sup> February, 2020

No.DC(TML)11/O.M./2015: The District Administration intends to renovate the **Jadonang Park** within a short time from now. It has been observed that Jadonang Park is not maintained at all for all these years. It is filled with litters including plastics, papers and other wastes.

Further, this place has been used by the people for various undesirable activities, Close to the wall some structures are also coming up which takes away the beauty of the Park. Henceforth, the District Administration plans to take up the following works:-

- (1) To do a proper fencing of the area.
- (2) Install some open gym equipment so that people can come and take a walk in the morning and evening.
- (3) To construct an open theatre type platform so that it can be utilised for any important programmes especially cultural related programmes.

All of these to be carried out without destroying the beauty and sanctity of the Haipou Jadonang Park.

Henceforth, if any individual, society (communities) have any objection towards any of these plans may give their objection in writing to this office on or before the **5<sup>th</sup> of March, 2020.**

This is done in the hope to restore the only memorial park in the heart of the town.
