Government of India

Ministry of Home Affairs / Grih Mantralaya

North Block, New Delhi.
Dated 7th September, 2005.

To,

The Chief Secretaries of
All State Governments / UT Administrations.

Subject: Correct method of draping over the coffin or bier
with the National Flag on occasions of State/
Military/ Central Para-Military Forces funerals.

Sir,

I am directed to invite your attention to Paragraph
3.58 of Section XI of Part III of the Flag Code of India,
reproduced below:-

“On occasions of State/Military/Central Para-
Military Forces funerals, the Flag shall be draped over the bier
or coffin with the saffron towards the head of the bier or coffin.
The Flag shall not be lowered into the grave or burnt in the
pyre.”

2. Some instances have been brought to the notice of this
Ministry where the biers or coffins were draped with the
National Flag wrongly i.e. other than the method provided in the
Flag Code of India as indicated above during State funerals,
etc. You are, therefore, requested to take note of the above
provision and issue instructions to all concerned to follow this
provision scrupulously.

Yours faithfully,

(S. K. Bhatnagar)
Deputy Secretary to the
Govt. of India
Tel. No. 2309 2035

[With WP (C) No. 133/02, SLP (C) Nos. 14303-14305/98, CA No. 2468/98, SLP (C) NO...../98 (CC-5347/98) CrI.A.No. 69/2000 and WP (C) No. 84/98]

EXTRACT OF THE JUDGEMENT PASSED BY THE HON' BLE
SUPREME COURT DATED 13.04.06 IN WRIT PETITION
(CIVIL) NO. 559 OF 1994 R.D. UPADHAYAY VERSUS STATE
ANDHRA PRADESH AND ORS

In light of various report referred to above, affidavits of various State Government, Union Territories, Union of India and submission made, we issue the following guidelines:

- 1 A child shall not be treated as an under trial/convict while in jail with his/her mother. Such child is entitled to food, shelter, medical care, clothing, education and recreational facilities as a matter of right.
- 2 Pregnancy
 - a: Before sending the women who is pregnant to a jail, the concerned authorities must ensure that jail in question has the basic minimum facility for

child delivery as well as for providing pre-natal and post-natal care for both, mother and the child.

- b. When a woman prisoner is found or suspected to be pregnant at the time of her admission, or at any time, the lady Medical Officer shall report the fact to the superintendent. As soon as possible, arrangement shall be made to get such prisoner medically examined at the female wing of the District Government hospital, for ascertaining the state of her health, pregnancy, duration of pregnancy, probable state of delivery, and so on. After ascertaining the necessary particulars, a report shall be sent to Inspector General of Prisons, stating the date of admission, term of sentence, date of release, duration of pregnancy, possible date of delivery, and so on.
- c: Gynecological examination of female prisoners shall be performed in the District Government Hospital. Proper pre-natal and post natal care shall be provided to the prisoners as per medical advice.

3: Child birth in prison:

- a: As far as possible and provided she has suitable option, arrangement for temporary release/parole (or suspended sentence in the case of minor and casual offender) should be made to enable an expectant prisoner to have her delivery outside the prison. Only exceptional cases constituting high security risk or cases of equivalent grave descriptions can be denied this facility.
- b: Birth in prison, when they occur, shall be registered in the local birth registration office. But the fact that the child has been born in the prison shall not be recorded in the certificate of birth that is issued. Only address of the locality shall be mentioned.
- c: As far as circumstances permit, all facilities for the naming rites of children born in the prison shall be extended.

4 Female prisoners and their children:

- a: Female prisoner shall be allowed to keep their children with them in jail till they attain age of six years.

- b: No female prisoners shall be allowed to keep a child who has completed the age of six years. Upon reaching the age of six years, the child shall be handed over to a suitable surrogate as per the wishes of the female prisoner or shall be sent to a suitable institution run by the Social Welfare Department. As far as possible, the child shall not be transferred to an institution outside the town, or city where the prison is located in order to minimize undue hardships on both mother and child due to physical distance.
 - c: Such children shall be kept in protective custody until their mother is released or the child attains such as to earn his/her own livelihood.
 - d: Children kept under the protective custody in a home of the Department of Social, Welfare shall be allowed to meet the mother at least once a week. The Director, Social Welfare Department shall ensure that such children are brought to the prison for this purpose on the date fixed by the Superintendent of Prisons.
 - e: When a female prisoner dies and leaves behind a child, the Superintendent shall inform the District Magistrate concerned and he shall arrange for the proper care of the child. Should the concerned relatives(s) be unwilling to support the child, the District Magistrate shall either place the child in an approved institution/home run by State Welfare Department or hand the child over to responsible person for care and maintenance.
- 5 Food, clothing, medical care and shelter:
- a: Children in jail shall be provided with adequate clothing suiting the local climatic requirement. for which State Government shall lay down the scales.
 - b: State / U.T. Government shall lay down dietary scales for children keeping in view the calorific requirements of growing children as per medical norms.
 - c: A permanent arrangement needs to be involved in all jails to provide separate food with ingredients to take care fo nutritional needs of children who reside in them in regular basis.

- d: Separate utensils of suitable size and material should also be provided to each mother prisoners for using to feed her child.
 - e: Clean drinking water must be provided to the children. This water must be periodically checked.
 - f: Children shall be regularly examined by the Lady Medical Officer to monitor their physical growth and shall also receive timely vaccination. Vaccination charts regarding each child shall be kept in the records. Extra clothing, diet and so on may also be provided on the recommendation of the Medical Officer.
 - g: In the event of a woman prisoners falling ill, alternative arrangement for looking after any children falling under her care must, be made by the jail staff.
 - h: Sleeping facilities that are provided to the mother and the child should be adequate, clean and hygienic.
 - i: Children of prisoners shall have right of visitation.
 - j: The Prison Superintendent shall be empowered in special cases and where circumstances warrant admitting children of women prisoners to prison without court orders provided such children are below 6 years of age.
- 6: Education of recreation of children of female prisoners:
- a: The child of female prisoners living in the jails shall be given proper education and recreational opportunities and while their mother are at work in jail shall be kept in crèches under the charge of a matron/female warder. The facility will also extended to children of warders and other female prison staff.
 - b: There shall be crèche and a nursery attached to a prison for women where the children of women prisoners will be look after. Children below three years of age shall be allowed in the crèche and those between three and six years shall be looked after in nursery. The prison authorities shall preferably run the said crèche and nursery outside the prison premises.

- 7: In many state small children are living in sub-jails that are not at all equipped to keep small children. Women prisoners with children should be kept in such sub-jails, unless proper facilities can be ensured which would make for a conducive environment there, for proper biological, psychological and social growth.
8. The stay of children in crowded barracks amidst women convicts under trial offenders creating to all types of crime including violent crimes is certainly harmful for the development of their personality. Therefore children deserve to be separated from such environment on a priority basis
- 9: Diet:
 Dietary scale for institutional infants / children prepared by Dr. A.M. Dwarakadas Motiwala, M.D. (Pediatrics) or fellowship n Neonatology (USA) has been submitted by Mr. Sanjay Parikh. The document submitted recommends exclusive breastfeeding on the demand of the baby day and night. If for some reasons, the mother cannot feed the baby, undiluted fresh milk can be given to the baby. It is emphasizes that *"dilution is not recommended, especially for low social-economic groups who are also illiterate, ignorant, their children are already malnourished and are prone to gastroenteritis and other infection due to poor living condition and unhygienic food habits. Also, where the drinking water is not safe/ reliable since source of drinking water is a question mark. Over dilution will provide more water than milk to the child and hence will lead to malnutrition and infections. This in turn will lead to growth retardation and development delay both physically and mentally"*. It is noted that since an average Indian mother produces approximately 600-800 ml of milk per day (depending on her own nutritional state), the child should be provided at least 600 ml of undiluted fresh milk over 24 hours if the breast milk is not available. The report also refers to the "Dietary Guidelines for Indians- A Manual", published in 1998 by the National Institution of Nutrition, Council of Medical Research, Hyderabad, for a balanced diet for infants and children ranging from 6 months to 6 years of age. It recommends the following portions for children from the age of 6-12 months, 1-3 years and 4-6 years, respectively. Cereals and Millets-45, 60-120 and 150-210 grams respectively; Pulses 15, 30, and 45 grams respectively; Milk 500 ml (unless breast fed, in which case 200 ml); Roots and Tubers- 50, 50 and 100 grams respectively; Green Leafy Vegetable- 25, 50, and 50 grams respectively; Other vegetables - 25, 50, and 50 grams respectively, Fruits 100 grams; Sugar- 25, 25 and 30 grams respectively; Fats/oils (visible) - 10, 20 and 25

grams respectively. One of the portion of pulse may be exchanged with one portion (50grams) of egg/ meat/ chicken/ fish. It is essential that the above food groups to be provided in the portion mentioned in order to ensure that both macronutrients and micronutrients are available to the child in adequate quantities.

- 10. Jail Manuals and/ or other relevant Rules, Regulation, instruction etc shall suitably amended within three months so as to comply with the above directions. If in some jails, better facilities are being provided, same shall continue.
- 11. Schemes and laws relating welfare and development of such children shall be implemented in letter and spirit. State Legislatures may consider passing of necessary legislations, wherever necessary, having regard to what is noticed in the judgment.
- 12. The State Legal Services Authorities shall take necessary measures to periodically inspect jails to monitor that the directions regarding children and mothers are complied with in letter and spirit
- 13. The Court dealing with cases of women prisoners whose children are in prison with their mothers are directed to give priority to such cases and decide their cases expeditiously.
- 14. Copy of the judgment shall be sent to Union of India, all State Government/ Union Territories High Court.
- 15. Compliance report stating the steps taken by the Union of India, State Governments, Union Territories and State Legal Services Authorities shall be filled in four months where after matter shall be listed for direction.

In view of above, Writ Petition (Civil) No. 133 of 2002 is disposed of.

**1958: U.P. Act XXVII] Jounsar-Bawar Pargana(Ditric
Dehradun) Revenue Officials(Special Powers)**

THE JOUNSAR-BAWAR PARGANA (DITRICT 589 DEHRADUN)
REVENUE OFFICIALS(SPECIAL POWERS) ACT, 1958

(UP Act No. XXVII of 1958)

Authority English Text* of the Jaunsar-Bawar Pagana (Zila
Dehradun)
Rajaswa Paddhariyonka (Visheshadhikar) Adhiniyam, 1958

AN
ACT

*To empower the revenue officials in the Jaunsar-Bawar
Pargana of the Dehradun District to exercise the power of a police
officer-in-charge of a police station.*

WHEREAS it is expedient to empower the revenue officials
in the Jaunsar-Bawar Pargana of the Dehradun District to exercise the
powers of police officer in-charge of a police station.

It is hereby enacted in the ninth year of the republic of India as
follows

1. (1) This Act may be called the Jaunsar-Bawar Pargana
(District Dehradun) Revenue Officials (Special Powers) Act, 1958.

(2) It extends to the Jaunsar-Bawar Pargana of the Dehradun
District.

(3) It shall come into force at once.

2. (1) Where the State Government to declares
by order, a Lekhpal, Patwari or such other revenue officials as
may be specified shall, subject to such registration and
condition as may be specified exercise such of the powers and
perform such of the functions and duties as may be specified,
of a Police Officer or an officer-in-charge of a police station
any law for the time being in force notwithstanding anything
in consistent there with content in such law.

(2) An order made under sub-section(1) may contain such
incidental and consequential provisions as a state Government may
consider necessary for carrying into the effect the provision of
declaration made under sub section (1).

**Investing Revenue
officials in certain
areas with the
powers of police
officer or and
officer-in-charge of
a police station**

*1958: U.P. Act XXVII] Jounsar-Bawar Pargana(Ditric 589
Dehradun) Revenue Officials(Special
Powers)*

(3) A Lekhpal, Patwari or the revenue official specified declaration under sub section (1) shall not merely by reason of exercising the power of a Police Officer or of the Officer-in-charge of a police station in pursuance of any order made under sub section (1) be deemed to be a police officer enrolled under the Police Act, 1861.

Order under
section 2 to be
laid before the
State
Legislature

3. (1) Every order, proposed to be issued under section 2, shall be laid before both Houses of State egislature for a period of not less than fourteen days while they are in session and if within that period either, house disapproves it or approve it only with modification the order shall not be issued, as the case may require, shall be issued only with such modification as may be approved by both the Houses

(2) Every such order shall be published in the official Gazette and shall take effect from the date of such publication.

4. The police powers conferred on the Tahsildar of Chakrata within the Jaunsar-Bawar Pargana of Dehradun District under the Bengal Resolution XI, 1831, as per notification no 874, VIII-21, dated July 3, 1913, shall be deemed to have been withdrawn from the date and order made under section 2 comes into force.

*1. For Statement of objects and reasons, sco U.P. Gazette Extraordinary Dated Feb 9, 1956 .
Passed in Hindi by the Uttar Pradesh Legislative Council on March 9, 1956,
Uttar Pradesh Legislative Assembly of July 17, 1956
Renewed the assent of the Governor on August 2, 1956 under Act 200 of the
Constitution of India and publisher in Uttar Pradesh Gazette Extraordinary dated
August 4, 1956.*

AN
ACT

To empower the revenue officials in the Tehri Garhwal to exercise the power of a police officer-in-charge of a police station.

Whereas it is expedient to empower the revenue officials in Tehri Garhwal to exercise the powers of police officer in-charge of a police station.

It is hereby enacted in the Seventh Year of the Republic of India as follows

1. Short title, extent and commencement-

(1) This Act may be called as the Tehri Garhwal Revenue Officials (Special Powers) Act, 1957.

(2) It extends to the District of Tehri Garhwal.

(3) It shall come into force at once.

2. Investing Revenue officials in certain areas with the powers of police officer or and officer-in-charge of a police station (1) Where the State Government to declares by an order, a Lekhpal, Patwari or such other revenue officials as may be specified shall, subject to such registration and condition as may be specified exercise such of the powers and perform such of the functions and duties as may be specified, of a Police Officer or an officer-in-charge of a police station, any law for the time being in force notwithstanding anything in consistent there with content in such law.

(2) An order made under sub-section(1) may contain such incidental and consequential provisions as a state Government may consider necessary for carrying into the effect the provision of declaration made under sub section (1)

(3) A Lekhpal, Patwari or the revenue official specified declaration under sub section (1) shall not merely by reason of exercising the power of a Police Officer or of the Officer-in-charge of a police station in pursuance of any order made under sub section (1) be deemed to be a police officer enrolled under the Police Act, 1861.

3. Order under section 2 to be laid before the State Legislature-

(1) A copy of every order, proposed to be issued under section 2, shall be laid before both Houses of State Legislature for a period of not less than thirty days while they are in session and if within that period either, house disapproves of the issue of the order or approve of such issue only with modification, the order shall not be issued, as the case may require, shall be issued only with such modification as may be agreed on both the Houses.

(2) Every such order shall be published in the official Gazette and shall take effect from the date of such publication.

1. For Statement of objects and reasons, see U.P. Gazette Extraordinary Dated Feb 9, 1956.

*Passed in Hindi by the Uttar Pradesh Legislative Council on March 9, 1956,
Uttar Pradesh Legislative Assembly of July 17, 1956*

*Renewed the assent of the Governor on August 2, 1956 under Act 200 of the
Constitution of India and published in Uttar Pradesh Gazette Extraordinary dated
August 4, 1956.*

**BRITISH GARHWAL
A GAZETTEER**

VOLUME XXXVI
OF THE
**DISTRICT GAZETTEER OF
THE UNITED
PROVINCES OF AGRA AND OUDH**
BY
H.G. WALTON, I.C.S

Of the good work done by the dispensaries Mr. Becket writes 'Before their erection such pilgrims (i.e. the seik) were left by their friends whose means did not permit of their halting, to die, a got swollen legs from the bite of the small fly. Now they are fed and treated at dispensaries and on recovery many, instead of going to Badrinath, return at one to the plains. Before these branch dispensaries were instituted these unhappy creatures, unable to move from the swollen legs, were left die of starvation". As Mr. Becket's settlement it was found that many sudabarth grants had been appropriated by the temple managers and proceeds devoted to the upkeep or embellishment of the temples. This has been rectified and under the present system such misappropriation can never occur

Ordinarily Police Duties are performed by Patwaris and Kanagos: but there are thanas at Srinagar, Kotdwara and Lansdowne, and during the summer session at certain places along the pilgrim line, the regular force is in the charge of the Superintendent of Police in the Kumaun Division, stationed at Nainital. Crime is practically non-existent. The Pauri Jail rarely holds more than eight or ten prisoners are deported to plain jails. Still indigenous crime has never been great. After the British occupation the slave trade by the Gurkhas was stopped, though existing slaves were not liberated. And the licence whereby an aggrieved husband could after notice to the civil powers seek out after any lapse of time his wife's paramour and kill him was revoked, the Act being treated as murder. The banditti who hurried travellers and traders crossing the Bhabhar were extirpated: though the tradition still remains and dacoits and cattle thefts, are by no means unknown now.

In pursuance of the provisions of clause(3) of Article 348 of the Consitution of India, the Governor of Uttar Pradesh is pleased to order the publication of the following English translation no 1770/VIII-A-94-60, dated July 17, 1967.

No. 1770/VIII-A-94-60,
July 17, 1967.

In pursuance of the provisions of clause (a) of sub-section 1 of section 4 of the Code of the Criminal Procedure, 1898 (Act V of 1898), read with section 24 of the General Clauses Act, 1897 (Act X of 1997) and in partial modification of notification no 5865(b)-VIII-A-94-60, dated Febraury 24, 1964, the Governor is pleased to declare that Badrinath in District Chamoli shall be a police station having the villages and other local areas specified in Schedule I below within its jurisdiction and further to declare that village and other local areas specified in Schedule II, below shall cease to part of the jurisdiction of Police Station Joshimath in the same dsitric.

Schedule I- (Jurisdiction of new Police Station, Badrinath)

Police Station, Badrinath

1. Badrinath
2. Auth
3. Kanchanganga
4. Rarang chati
5. Hanuman Chati (Gaun and Bazar)
6. Binakuli
7. Indra Dhara
8. Gajkoti

9. Dhanoli
10. Mana
11. Daiya
12. Ghorsil
13. Bamini
14. Dhantoli
15. Painer
16. Dogriyana

- (b) Yatra route from Badrinath, to Mana along with area upto 16 metres on the either side of the route.
- (c) Motor road from Badrinath to Binakuli, with area upto 16 metres on the either side of the route.

Note If a part of Chatti or dharanshala situates along the above roads fallen within said 16 metres of either side of the road than the whole Chatti and Dharamshala will be deemed to fall within the jurisdiction of Civil Police.

Schedule II- (Area Excluded from the Jurisdiction of new Police Station, Badrinath)

1. Badrinath
 2. Auth
 3. Kanchanganga
 4. Rarang chati
 5. Hanuman Chati
 6. Binakuli
 8. Gajkoti
 9. Dhanoli
 10. Mana
2. This declaration shall take effect from date of establishment of new Police Station at Badrinath.
